

STAINLESS NECK SIZING DIES - 243 WINCHESTER BUSHING NECK DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY****
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for Stainless Neck Sizing Dies 243 Winchester Bushing Neck Die

Introduction

Thank you for choosing the Stainless Neck Sizing Dies 243 Winchester Bushing Neck Die. This product is designed to help you control the neck sizing of your cartridge cases, enhancing the performance and longevity of your brass. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling and using the die.
- Keep the product out of reach of children and pets to prevent accidental injuries.
- Regularly inspect the die and associated equipment for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- **Risk of Injury:** Improper use of the neck sizing die can lead to personal injury. Always handle the die with care.
- **Hazardous Materials:** Be aware that reloading involves the use of materials that can be hazardous. Follow all safety guidelines for handling these materials.
- **Tool Compatibility:** Ensure that the die is compatible with your Arbor Press. Using the wrong tools can lead to malfunction or injury.
- **Sizing Bushings:** The die uses interchangeable sizing bushings. Ensure that you select the correct bushing for your cartridge.
- **Decapping Rod:** The die includes a decapping rod. Use it according to the instructions to avoid damaging the die or causing injury.
- **Work Area:** Maintain a clean and organized work area to prevent accidents and ensure safe handling of materials.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the die, Arbor Press, and appropriate sizing bushings.
- Ensure your work area is clean and free from distractions.

2. Installing the Die:

- Securely mount the die in your Arbor Press according to the manufacturer's instructions for the press.
- Verify that the die is properly aligned and tightened to prevent movement during operation.

3. Selecting Sizing Bushings:

- Choose the appropriate sizing bushing for the 243 Winchester cartridge. The bushing should fit snugly within the die.
- Insert the bushing into the die and ensure it is seated correctly.

4. Neck Sizing Process:

- Place the cartridge case into the die.
- Operate the Arbor Press to size the neck of the cartridge case to the desired dimension (3/16" from the mouth end).
- Remove the sized cartridge case from the die and inspect it for any signs of damage.

5. PostUse Care:

- Clean the die and bushings after each use to prevent corrosion and maintain performance.
- Store the die and bushings in a safe, dry location away from moisture and direct sunlight.

Disposal Instructions

- Dispose of any damaged or unusable equipment in accordance with local regulations for hazardous materials.
- Recycle metal components where possible, and ensure that any waste materials are disposed of responsibly.

Contact Information for Further Support

For inquiries regarding safety, usage, or product support, please contact your local distributor or visit the manufacturer's website. Ensure you have the product details and any relevant information ready for a swift response.

By following these guidelines, you can ensure a safe and effective experience with your Stainless Neck Sizing Dies 243 Winchester Bushing Neck Die. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important safety instructions.
