

STAINLESS NECK SIZING DIES - 223 REMINGTON BUSHING NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY****
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for Stainless Neck Sizing Dies 223 Remington Bushing Neck Sizing Die

Introduction

Thank you for choosing the Stainless Neck Sizing Dies 223 Remington Bushing Neck Sizing Die. This product is designed to provide users with precise control over the neck sizing of cartridge cases. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the die with care to prevent injury.
- Ensure that the die is used in a wellventilated area.
- Keep the die and all accessories out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of reloading equipment.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use of the die may lead to accidents or injuries. Potential hazards include:
 - Cuts or lacerations from sharp edges.
 - Pinching or crushing injuries when using with an Arbor Press.
- **Avoiding Hazards:**
 - Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
 - Ensure that your workspace is free of clutter and distractions.
 - Do not exceed the recommended sizing specifications to prevent damage to the die or cartridge cases.
- **Age Restrictions:** This product is intended for use by adults only. Do not allow minors to operate or handle the die.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Arbor Press is securely mounted and stable before use.
- Attach the Stainless Neck Sizing Die to the Arbor Press according to the manufacturer's instructions.
- Confirm that the die is properly aligned and tightened to prevent movement during operation.

2. Usage:

- Insert the cartridge case into the die, ensuring it is seated correctly.
- Apply steady and even pressure using the Arbor Press to size the neck of the cartridge case.
- Do not force the press; if resistance is felt, stop and check for proper alignment and seating.
- After sizing, remove the cartridge case carefully to avoid injury.

3. Maintenance:

- Clean the die after each use to remove any debris or residue.
- Store the die in a safe place, preferably in a protective case or container.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please seek assistance from a qualified professional or refer to the manufacturer's website for additional resources and support.

By following these safety instructions, you can ensure a safe and effective experience while using the Stainless Neck Sizing Dies 223 Remington Bushing Neck Sizing Die. Thank you for prioritizing safety!
