

# STAINLESS NECK SIZING DIES - 6MM BR BUSHING NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\*** The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for STAINLESS NECK SIZING DIES 6MM BR BUSHING NECK SIZING DIE

## Introduction

Thank you for purchasing the STAINLESS NECK SIZING DIES 6MM BR BUSHING NECK SIZING DIE. This product is designed to provide precise neck sizing for your cartridge cases. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Keep the work area clean and welllit to prevent accidents.
- Ensure that the die is compatible with your specific cartridge case before use.
- Store the die in a safe location, out of reach of children and pets.
- Do not use the die for any purpose other than its intended use.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local regulations regarding the use and handling of reloading equipment.

## Specific Safety Precautions for Use

- Ensure that the die is securely mounted on an Arbor Press before operation.
- Do not exceed the recommended sizing limits outlined in the product specifications.
- Avoid placing fingers or hands near the die while in operation to prevent injury.
- If you experience any difficulties during use, stop immediately and reassess the situation.
- Never attempt to modify or alter the die in any way, as this can compromise safety and performance.
- Always use the die in accordance with the manufacturer's instructions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Arbor Press is on a stable surface.
- Attach the STAINLESS NECK SIZING DIE to the Arbor Press according to the manufacturer's instructions.
- Confirm that the die is securely fastened and properly aligned.

### 2. Usage:

- Select the appropriate sizing bushing for your cartridge case.
- Insert the cartridge case into the die, ensuring it is correctly positioned.
- Operate the Arbor Press to size the neck of the cartridge case to the desired dimension.
- Remove the sized cartridge case from the die and inspect it for quality and uniformity.
- Repeat the process for additional cases as needed.

## Disposal Instructions

- Dispose of any unused or damaged components according to local regulations.
- Do not throw the die in regular trash; instead, follow your local disposal guidelines for metal products.
- Consider recycling the die if it is no longer usable.

## **Contact Information for Further Support**

For any questions or concerns regarding the STAINLESS NECK SIZING DIES 6MM BR BUSHING NECK SIZING DIE, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for safe usage and maintenance of the product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the STAINLESS NECK SIZING DIES 6MM BR BUSHING NECK SIZING DIE. Always prioritize safety and adhere to the guidelines provided. Thank you for choosing our product.
