

STAINLESS NECK SIZING DIES - 308 WINCHESTER BUSHING NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. ****NECK DIE BASE SOLD SEPARATELY****
The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

Safety Instruction Guide for Stainless Neck Sizing Dies 308 Winchester Bushing Neck Sizing Die

Introduction

Thank you for choosing the Stainless Neck Sizing Dies 308 Winchester Bushing Neck Sizing Die. This product is designed to help you achieve precise neck sizing for your cartridge cases. To ensure your safety and the safe use of this product, please read and follow the instructions outlined in this guide.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the work area is clean, dry, and well lit.
- Keep the product out of reach of children and unauthorized users.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the die.
- Regularly inspect the die for any signs of damage or wear before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges or moving parts.
 - Risk of damage to the cartridge case if not used correctly.
- **Avoiding Hazards:**
 - Handle the die with care to avoid cuts or injury.
 - Ensure that the die is securely attached to the Arbor Press before use.
 - Do not force the die if it does not fit properly; check for compatibility.
 - Follow all instructions for neck sizing to avoid damaging the cartridge case.
- **Age Specific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure the Arbor Press is on a stable surface.
- Attach the neck sizing die securely to the Arbor Press according to the manufacturer's instructions.
- Verify that the die is properly aligned with the cartridge case before use.

2. Usage:

- Select the appropriate bushing size for your cartridge case.
- Insert the cartridge case into the die, ensuring it is seated properly.
- Operate the Arbor Press slowly and steadily to size the neck of the cartridge case.
- After sizing, remove the cartridge case and inspect it for proper sizing.
- Store the die and bushings in a safe place when not in use.

Disposal Instructions

- Dispose of any damaged or unusable parts in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the die or any associated components in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the Stainless Neck Sizing Dies 308 Winchester Bushing Neck Sizing Die, please refer to the manufacturer's contact information provided with the product.

By following these guidelines, you can ensure a safe and effective experience with your Stainless Neck Sizing Dies 308 Winchester Bushing Neck Sizing Die. Thank you for your attention to safety.
