

# STAINLESS NECK SIZING DIES - 6MM PPC BUSHING NECK SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Designed so the user can control and/or change the amount of neck sizing the cartridge case receives. Uses interchangeable sizing bushings that size the outside of the case neck. The conventional expander is eliminated, improving concentricity and prolonging brass life. **\*\*NECK DIE BASE SOLD SEPARATELY\*\*** The die is used with an Arbor Press. Sizes the neck to 3/16" from the mouth end, a practice many shooters prefer. Bushings not included. Dies include a decapping rod.

# Safety Instruction Guide for Stainless Neck Sizing Dies 6mm PPC Bushing Neck Sizing Die

## Introduction

Thank you for choosing the Stainless Neck Sizing Dies 6mm PPC Bushing Neck Sizing Die. This product is designed to help you control the neck sizing of your cartridge cases. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the work area clean and organized to prevent accidents.
- Do not use the die for any purpose other than intended.
- Be aware of your surroundings and ensure that no one else is in the immediate area while using the die.
- Check for any visible damage or wear on the die before use. Do not use if damaged.
- Keep this product out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Sharp edges may be present on the die. Handle with care to avoid cuts.
  - The die is used with an Arbor Press, which can exert significant force. Ensure proper handling to avoid injury.
- **Avoiding Hazards:**
  - Always follow the instructions for use to minimize the risk of accidents.
  - Do not attempt to modify the die or use it in ways not specified in this manual.
  - Ensure that the die is properly secured in the Arbor Press before use to prevent slippage.
- **Age Restrictions:**
  - This product is intended for use by individuals who are knowledgeable about reloading and firearms. It is not suitable for use by children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you have an Arbor Press suitable for use with the die.
- Place the die in the Arbor Press according to the manufacturer's instructions.
- Ensure that the die is securely fastened and that the sizing bushing is correctly installed.

### 2. Using the Die:

- Insert the cartridge case into the die.
- Apply steady pressure using the Arbor Press to size the neck of the case.
- Size the neck to 3/16" from the mouth end, as preferred by many shooters.
- After sizing, remove the case from the die carefully.
- The die includes a decapping rod for additional functionality.

### 3. Maintenance:

- Regularly inspect the die and bushing for wear and tear.
- Clean the die after use to prevent buildup of residue.

- Store the die in a dry place when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For any inquiries or concerns regarding product safety, please reach out to the designated EU contact point listed on the product packaging or documentation.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the Stainless Neck Sizing Dies 6mm PPC Bushing Neck Sizing Die. Always prioritize safety and proper handling to enjoy the benefits of your product. Thank you for your attention to these important safety measures.
