# CUSTOM COMPETITION 30 CALIBER (0.308") HPBT BULLETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing Nosler CUSTOM COMPETITION 30 CALIBER (0.308") HPBT BULLETS. This guide provides essential safety information to ensure the safe handling and use of this product. Please read this document carefully before use.

## General Safety Guidelines

- Always handle bullets with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use appropriate personal protective equipment (PPE) when handling bullets.
- Familiarize yourself with local laws and regulations regarding ammunition and bullet usage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 30 caliber (0.308") bullets before use.
- Avoid using damaged or deformed bullets.
- Do not modify or alter the bullets in any way.
- Always check the barrel of your firearm for obstructions before loading.
- Use only the recommended powder and primers for loading these bullets.
- Follow all manufacturer instructions and guidelines for your firearm and reloading equipment.
- Ensure that you are in a safe and controlled environment when using bullets.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary equipment, including your firearm, reloading tools, and protective gear.
- Verify that your workspace is clean and free from distractions.

### 2. Loading the Bullets:

- Carefully insert the bullet into the cartridge case.
- Ensure that the bullet is seated properly and securely.
- Follow the recommended load data for the specific powder and primer you are using.

### 3. Firing the Bullets:

- Load the completed cartridges into your firearm.
- Always point the firearm in a safe direction when loading and firing.
- Follow all safety protocols for handling firearms.

### 4. PostUse:

- Clean your firearm and equipment after use to maintain performance and safety.
- Store any unused bullets in their original packaging to protect them from damage.

## Disposal Instructions

- Dispose of any damaged or unused bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or hazardous waste disposal services for guidance on safe disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding safety or product information, please refer to the appropriate regulatory bodies or local authorities. Always ensure that you are following the latest safety guidelines and regulations.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience responsibly.
