

# ULTRA™ MICROMETER SEATER DIES - 6MM DASHER MICROMETER SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. The Forster Ultra Seater includes all of the features of the Forster Bench Rest Seater Die above, plus an ultra accurate micrometer adjustment. This micrometer adjustment allows you to adjust bullet seating depth from .0005 inch to .001 inch increments, and makes switching bullets easy - just dial back to your previous recorded setting. Forster Ultra Seaters make fine tuning your bullets to the lands of your rifling simple.

## Attributes

- Name: [6MM DASHER MICROMETER SEATER DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749006728

# ULTRA™ MICROMETER SEATER DIES 6MM DASHER MICROMETER SEATER DIE Safety Instruction Guide

## Introduction

Thank you for choosing the ULTRA™ MICROMETER SEATER DIES 6MM DASHER MICROMETER SEATER DIE from Forster Products, Inc. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the ULTRA™ MICROMETER SEATER DIES by following these guidelines:
  - Always wear appropriate safety gear, including safety glasses and gloves.
  - Keep the work area clean and welllit to prevent accidents.
  - Store the product in a secure place, out of reach of children and pets.
  - Do not use the product for purposes other than its intended use.
  - Regularly inspect the die for signs of wear or damage before each use.

## Specific Safety Precautions for Use

- Be aware of potential hazards associated with the use of this product:
  - **Sharp Edges:** The die may have sharp edges that can cause cuts. Handle with care.
  - **Heavy Components:** Some parts may be heavy. Use caution when lifting or moving.
  - **Heat Generation:** The die may become hot during use. Allow it to cool before handling.
- Follow these precautions to avoid hazards:
  - Always ensure the die is securely mounted before use.
  - Avoid wearing loose clothing or jewelry that may get caught in machinery.
  - Do not exceed the recommended specifications for bullet seating depth.
  - Keep hands away from moving parts during operation.

## Instructions for Installation and Usage

- Follow these steps to install and use the ULTRA™ MICROMETER SEATER DIES safely:
  1. **Installation:**
    - Ensure your reloading press is clean and free of debris.
    - Insert the die into the press according to the manufacturer's instructions.
    - Tighten the Forster Cross Bolt Die Locking Ring securely to prevent movement.
  2. **Adjustment:**
    - To adjust bullet seating depth, use the micrometer adjustment feature.
    - Start with a small increment of .0005 inch to achieve precise depth.
  3. **Usage:**
    - Place the bullet in the die and operate the press to seat the bullet.
    - Check the seating depth after each adjustment to ensure accuracy.
    - Record your settings for future reference to simplify switching between bullets.

## Disposal Instructions

- Dispose of the ULTRA™ MICROMETER SEATER DIES responsibly:
  - Do not dispose of the product in regular household waste.
  - Contact your local waste management authority for proper disposal methods.
  - If the product is damaged or no longer usable, ensure it is disposed of in a way that prevents injury

to others.

## **Contact Information for Further Support**

- For any safety inquiries or further assistance regarding the ULTRA™ MICROMETER SEATER DIES, please refer to the contact information provided with the product packaging or visit the Forster Products website.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective reloading experience with the ULTRA™ MICROMETER SEATER DIES 6MM DASHER MICROMETER SEATER DIE. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your commitment to safety.
