

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 6X47MM LAPUA FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Bench Rest? Seater & Full Length Die Set 6x47 Lapua

Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS FORSTER PRODUCTS, INC. 6X47MM LAPUA FULL LENGTH DIE SET

Introduction

Thank you for choosing the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS FORSTER PRODUCTS, INC. 6X47MM LAPUA FULL LENGTH DIE SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure safe use of the die set by following all instructions.
- Be aware of potential hazards associated with reloading ammunition.
- Use protective eyewear and gloves when handling reloading equipment and materials.
- Keep the die set out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always read the instructions provided with the die set before use.
- Inspect the die set for any signs of damage or wear before each use.
- Ensure that the work area is clean, dry, and welllit.
- Avoid distractions while using the die set to maintain focus.
- Use only compatible components and materials as specified in the product documentation.
- Do not exceed the recommended load specifications.
- Store the die set in a secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Unpack the die set and check for all components.
- Ensure that the die is clean and free from debris.
- Follow the manufacturer's instructions to install the die set into your reloading press.
- Tighten all connections securely to prevent movement during use.

2. Usage:

- Prepare your work area by laying out all necessary tools and components.
- Set up the reloading press according to the manufacturer's guidelines.
- Adjust the die settings as per the specifications for the 6x47 Lapua cartridge.
- Use the seater die to carefully seat bullets to the desired depth.
- Regularly check the dimensions of the cartridges produced for consistency.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die set in regular household waste.

- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the contact point provided by the manufacturer or retailer.
