

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - 6MM BR FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Attributes

- Name: [6MM BR FULL LENGTH DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749006746
- Mfr. No.: 004181

Safety Instruction Guide for Forster Full Length Sizing and Bench Rest Seater Die Sets 6MM BR

Introduction

Thank you for choosing the Forster Full Length Sizing and Bench Rest Seater Die Sets 6MM BR. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the die sets.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the die sets by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. You can check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep the die sets out of reach of children and vulnerable individuals to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please contact the designated EU-based support.
- **Rapid Alerts:** Monitor the Safety Gate system for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the instructions and safety guidelines before using the die sets.
- **Protective Gear:** Wear appropriate safety glasses and gloves to protect against metal shavings and other debris during use.
- **Work Environment:** Ensure you are working in a well-ventilated area that is clean and free from distractions.
- **Proper Handling:** Handle the die sets with care. Avoid dropping or mishandling them to prevent damage or injury.
- **Check for Damage:** Inspect the die sets for any signs of damage before use. Do not use damaged equipment.
- **Follow Reloading Guidelines:** Adhere to all reloading guidelines and recommendations for the specific cartridge being used.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and materials before starting the reloading process.
2. **Setting Up the Dies:**
 - Securely mount the full length sizing die in your reloading press.
 - Adjust the die according to the manufacturer's instructions to achieve the desired sizing.
3. **Using the EZ Case Neck Expander:**
 - Insert the EZ case neck expander into the sizing die.
 - Follow the specific instructions for using this feature to ensure proper neck expansion.
4. **Seating Bullets:**
 - Replace the sizing die with the Forster Bench Rest seater die.
 - Adjust the seating depth according to your specifications for the cartridge.
5. **Reloading Process:**
 - Follow the stepbystep reloading process as outlined in your reloading manual.
 - Always doublecheck measurements and settings before proceeding with each round.
6. **Cleaning and Maintenance:**
 - Clean the die sets after use to prevent corrosion and ensure longevity.
 - Store the die sets in a dry, safe place when not in use.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die sets in regular household waste. Check for specific recycling programs or hazardous waste disposal options in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of the Forster Full Length Sizing and Bench Rest Seater Die Sets 6MM BR, please refer to the manufacturer's contact details provided at the point of purchase.

Thank you for prioritizing safety and following these guidelines. Enjoy your reloading experience with Forster products!
