

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 6MM DASHER FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Bench Rest? Seater & Full Length Die Set 6mm Dasher

Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS FORSTER PRODUCTS, INC. 6MM DASHER FULL LENGTH DIE SET

Introduction

Thank you for choosing the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS from Forster Products, Inc. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this manual carefully before use to understand the potential hazards and necessary precautions.

General Safety Guidelines

- Ensure that all users of the die set are familiar with safe handling and usage practices.
- Store the die set in a dry, secure location away from children and pets.
- Inspect the die set for any damage or wear before each use.
- Use the die set only for its intended purpose as described in this manual.
- Follow all local regulations and guidelines regarding the use of reloading equipment.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the die set.
- Do not exceed the recommended load limits for the die set.
- Keep the work area clean and free of clutter to prevent accidents.
- Be cautious when handling components and tools to avoid injury.
- Do not use the die set if you are tired, distracted, or under the influence of drugs or alcohol.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your work area is clean and welllit. Gather all necessary tools and components.
2. **Mounting the Die:**
 - Securely mount the die set in your reloading press according to the manufacturer's instructions.
 - Ensure that the die is tightened properly to prevent movement during use.
3. **Calibrating the Die:**
 - Adjust the die according to the specifications provided for the 6mm Dasher cartridge.
 - Test the adjustment using dummy rounds before actual reloading.

Usage

1. **Loading:**
 - Carefully follow the reloading data specific to the 6mm Dasher cartridge.
 - Measure powder charges accurately using a reliable scale.
 - Insert the bullet into the case mouth gently to avoid damaging the bullet or case.
2. **Seating:**
 - Use the seater die to seat bullets to the desired depth as per your loading specifications.
 - Make adjustments as necessary for consistency and accuracy.
3. **Final Inspection:**
 - Inspect each round for proper seating and overall quality before use.

- Discard any rounds that do not meet safety standards.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the die set in regular trash; check for recycling options in your area.
- Follow specific disposal guidelines for hazardous materials if applicable.

Contact Information for Further Support

For any inquiries regarding the product, including safety concerns or technical support, please refer to the contact information provided by the manufacturer. Ensure that you have the product details at hand when reaching out for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS FORSTER PRODUCTS, INC. 6MM DASHER FULL LENGTH DIE SET. Always prioritize safety and remain informed about any updates or recalls related to this product. Thank you for your attention to these important safety measures.
