

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 260 REMINGTON FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Bench Rest? Seater & Full Length Die Set 260 Rem (6.5-08)

Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS FORSTER PRODUCTS, INC. 260 REMINGTON FULL LENGTH DIE SET

Introduction

Thank you for choosing the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS by Forster Products, Inc. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) when using reloading tools, including safety glasses and gloves.
- Keep the work area clean and welllit to avoid accidents.
- Store the die set in a secure location, out of reach of children and pets.
- Follow all local regulations and guidelines regarding ammunition reloading.

Specific Safety Precautions for Use

- Read all instructions and safety warnings before using the die set.
- Inspect the die set for any damage or wear before each use. Do not use if damaged.
- Use the die set in a wellventilated area to avoid inhalation of any fumes or particles.
- Do not exceed the recommended load specifications for the 260 Remington cartridge.
- Keep fingers and hands clear of moving parts during operation.
- Ensure that all tools and accessories used with the die set are compatible and in good condition.
- Avoid distractions while using the die set to maintain focus and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Carefully unpack the die set and inspect all components for damage.
- Follow the manufacturer's instructions for installing the dies into the reloading press.
- Adjust the dies according to the specifications for the 260 Remington cartridge.

2. Usage:

- Set the appropriate die for resizing or seating the bullet.
- Follow the reloading data specific to the 260 Remington cartridge for powder types, weights, and bullet specifications.
- Use a reliable scale to measure powder charges accurately.
- After reloading, visually inspect each cartridge for proper assembly and safety.
- Store completed ammunition in a cool, dry place, labeled clearly with relevant information.

Disposal Instructions

- Dispose of any unused components, packaging, or damaged items in accordance with local regulations.
- Do not dispose of spent cartridges or hazardous materials in regular trash. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the use of your die set, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and successful reloading experience with your FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS by Forster Products, Inc. Always prioritize safety and compliance with local laws when engaging in reloading activities.
