

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 6.5X55MM SWEDE FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Bench Rest? Seater & Full Length Die Set 6.5x55 Swedish

Consumer Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS FORSTER PRODUCTS, INC. 6.5X55MM SWEDE FULL LENGTH DIE SET

Introduction

Thank you for choosing the FULL LENGTH SIZING AND BENCH REST SEATER DIE SET from Forster Products, Inc. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document carefully before use to understand the necessary precautions and procedures.

General Safety Guidelines

- This product is designed for use with the 6.5 x 55 mm Swedish Mauser cartridge. Ensure compatibility before use.
- Always handle reloading equipment and components with care to prevent accidents.
- Store the die set in a secure location away from children and unauthorized users.
- Regularly inspect the die set for wear or damage. Do not use if any parts are compromised.
- Follow all local laws and regulations regarding ammunition reloading and handling.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure your workspace is clean and organized to prevent accidents.
- Never exceed the recommended load data for your cartridge. Refer to reputable reloading manuals for guidance.
- Avoid distractions while reloading, as focus is critical to safety.
- Keep flammable materials away from your reloading area.
- If you experience any malfunctions during use, cease operation immediately and consult the product manual or a qualified professional.

Instructions for Installation and Usage

1. Installation:

- Secure the die set in a stable reloading press according to the manufacturer's instructions.
- Ensure that the die is properly aligned and tightened to prevent movement during operation.
- Adjust the die settings according to your reloading specifications, ensuring they are within safe limits.

2. Usage:

- Carefully follow the reloading process as outlined in your reloading manual.
- Use the bench rest seater die for precise bullet seating to ensure accuracy.
- Monitor the reloading process closely and check for any irregularities.
- After reloading, inspect each cartridge for proper seating and overall quality.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Instead, contact local authorities for proper disposal methods.
- Ensure that all reloading components are stored safely until disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your FULL LENGTH SIZING AND BENCH REST SEATER DIE SET. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your attention to these important safety measures.
