

# FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - FORSTER PRODUCTS, INC. 300 WINCHESTER MAGNUM FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Bench Rest? Seater & Full Length Die Set 300 Win Mag

# Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS FORSTER PRODUCTS, INC. 300 WINCHESTER MAGNUM FULL LENGTH DIE SET

## Introduction

Thank you for choosing the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS from Forster Products, Inc. This product is designed to provide precision and reliability for reloading 300 Winchester Magnum cartridges. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle reloading equipment with care and respect, as improper use can lead to serious injuries.
- Ensure that you are familiar with the reloading process and follow all manufacturer instructions closely.
- Store all reloading tools and materials out of reach of children and unauthorized users.
- Regularly inspect your equipment for wear and damage before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading components.
- Be aware of your surroundings and ensure that you are working in a wellventilated area, free from distractions.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Potential hazards include the risk of injury from sharp edges, moving parts, and the handling of explosive materials.
- Improper reloading practices can lead to dangerous ammunition, which may cause firearm malfunctions or personal injury.

### • Avoiding Hazards:

- Always ensure that the die set is securely mounted to a stable surface before use.
- Never exceed recommended load specifications when reloading ammunition.
- Use only compatible components (brass, primers, powders, and bullets) as specified by the manufacturer.
- Keep your workspace clean and organized to prevent accidents.

### • AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 years and older. Ensure that minors do not have access to reloading equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Securely mount the die set to your reloading press according to the manufacturer's instructions.
- Ensure that all components are properly aligned and tightened before proceeding.

## **2. Usage:**

- Follow the reloading steps outlined in your reloading manual for the 300 Winchester Magnum cartridge.
- Perform a visual inspection of each cartridge after reloading to ensure proper assembly.
- Store completed ammunition in a safe and organized manner, clearly labeled with load data.

## **3. Maintenance:**

- Clean the die set after each use to prevent corrosion and ensure longevity.
- Store the die set in a dry place, protected from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any used reloading components, such as spent primers and empty brass cases, in accordance with local regulations.
- Do not dispose of hazardous materials in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report unsafe products, please refer to the designated contact point provided by the manufacturer. Ensure that you have your product details ready for effective assistance.

By following these safety instructions, you can help ensure a safe and enjoyable reloading experience. Thank you for prioritizing safety while using the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS from Forster Products, Inc.
