

FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS - 308 WINCHESTER FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. A full length two die set is the die set beginning reloaders should start with, and the die set most hunters and many target shooters use every time they reload their cases. These Forster full length die sets include a full length sizing die and the Forster Bench Rest seater die. Forster full length sizers feature hand polishing and the E-Z case neck expander system - a Forster exclusive. NATIONAL MATCH DIES reduce headspace by .003" and are intended for bolt action target rifles only.

Attributes

- Name: [308 WINCHESTER FULL LENGTH DIE SET](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749006776

Safety Instruction Guide for FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS 308 WINCHESTER FULL LENGTH DIE SET

Introduction

Thank you for choosing the Forster Bench Rest Reloading Dies. This guide provides essential safety instructions to ensure the safe and effective use of your reloading dies. It is important to follow these guidelines for your safety and the quality of your reloading process.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that you are familiar with all components of the die set.
- Keep the die set out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Regularly inspect your reloading dies for any signs of wear or damage.
- Report any unsafe products and accidents to the authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate safety gear, such as safety glasses and gloves, when using the reloading dies.
- Ensure that your workspace is clean, dry, and welllit.
- Avoid distractions while reloading to maintain focus and precision.
- Do not exceed the recommended load limits for the cartridges.
- Always doublecheck the caliber and specifications of the cartridges you are reloading.
- Be aware of the potential hazards associated with handling ammunition components.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Install the full length sizing die into the press according to the manufacturer's instructions.
- Attach the Forster Bench Rest seater die following the same guidelines.

2. Usage:

- Begin by preparing your brass cases. Clean and inspect them for any defects.
- Set the full length sizing die to the correct depth for your specific cartridge.
- Use the EZ case neck expander system to ensure proper neck sizing.
- Follow the recommended procedures for seating bullets using the Bench Rest seater die.
- Regularly check the dimensions of your loaded rounds to ensure consistency and safety.

Disposal Instructions

- Dispose of any defective or damaged reloading dies in accordance with local regulations.
- Recycle any metal components when possible.
- Ensure that all used ammunition components are disposed of safely and responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the FULL LENGTH SIZING AND BENCH REST SEATER DIE SETS, please refer to the product packaging or the manufacturer's website for contact details and additional support.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to these important guidelines.
