

# COMPETITION SEATER DIES - REDDING 45-70 GOVERNMENT BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

# Safety Instruction Guide for Redding Competition Seater Die 4570 Government

## Introduction

Thank you for choosing the Redding Competition Bullet Seater Die for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and understand these guidelines before using the die.

## General Safety Guidelines

- Ensure safe handling and use of the die to prevent accidents.
- Follow all local laws and regulations regarding ammunition reloading.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep the die and all reloading equipment out of reach of children and unauthorized users.
- Be aware of the potential hazards associated with firearms and ammunition.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the die may lead to dangerous ammunition.
  - Ensure that the die is compatible with the 4570 Government cartridge before use.
- **Avoiding Hazards:**
  - Always doublecheck measurements and settings before seating bullets.
  - Do not exceed recommended load specifications.
  - Inspect the die for damage or wear before each use.
  - Never modify the die or use it for purposes other than intended.
- **Age and Audience Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older.
  - Ensure that all users are trained in safe reloading practices.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure your reloading press is securely mounted.
  2. Insert the Redding Competition Bullet Seater Die into the press, tightening it securely.
  3. Adjust the die to the desired height using the micrometer feature.
- **Usage:**
  1. Prepare your cases and ensure they are clean and free from obstructions.
  2. Set the micrometer to your preferred seating depth.
  3. Place a bullet into the case mouth.
  4. Pull the handle of the reloading press to seat the bullet.
  5. Check the seating depth with a caliper to ensure accuracy.
  6. Repeat the process for additional cartridges.

- **PostUsage Care:**

- Clean the die after each use to prevent the buildup of residue.
- Store the die in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Follow local laws for the disposal of hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or support, please consult the manufacturer's website or contact your local distributor. Always ensure you have the latest information regarding product recalls and safety updates.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Redding Competition Bullet Seater Die. Always prioritize safety in your reloading practices.
