

# CAM-LOCK CASE TRIMMER - CAM LOCK TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The Hornady Cam-Lock Case Trimmer produces accurate trim lengths on every case. Trim length is micro-adjustable with the fine adjust knob on the cutter shaft. A light touch on the cam-lock securely locks the case into the Hornady shellholder. Cases are held square to the large cutter head that can handle cases up to 50 caliber. Hornady has made the frame height taller than previous models, which along with the more ergonomic trimmer handle makes it comfortable, fast, and easy to use. The cast trimmer includes the seven most popular pilots; .22, 6mm, .270, 7mm, .30, .38, and .45 calibers. Additional pilots are available for .20 caliber through .50 caliber. An optional .17 caliber pilot/cutter is available. Optional accessories include a chamfering tool and a deburring tool that thread on in place of the cutter for consistent and square chamfering/deburring. A power adapter is also available. Order shellholders separately. Use only standard Hornady® shell holders and pilots.

# Hornady CamLock Case Trimmer Safety Instructions

## Introduction

Thank you for choosing the Hornady CamLock Case Trimmer. This product is designed to provide you with accurate trim lengths for your cases. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always read the instruction manual before using the product.
- Ensure that the trimmer is used in a welllit and dry environment.
- Keep the trimmer out of reach of children and unauthorized users.
- Inspect the trimmer before each use for any signs of damage or wear.
- Do not use the trimmer if any parts are damaged or missing.
- Follow all local regulations regarding the use of reloading equipment.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the trimmer.
- Ensure that the case is securely locked in place before trimming.
- Do not place your hands near the cutting area while the trimmer is in operation.
- Avoid wearing loose clothing or jewelry that could get caught in the trimmer.
- Use only standard Hornady® shell holders and pilots to avoid compatibility issues.
- Do not attempt to modify the trimmer or use it for any purpose other than intended.
- Always keep the trimmer clean and free from debris to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Setup:

- Place the trimmer on a stable, flat surface.
- Ensure that the trimmer is securely fastened to prevent movement during use.

### 2. Adjusting Trim Length:

- Use the fine adjust knob on the cutter shaft to set the desired trim length.
- Make small adjustments to ensure accuracy.

### 3. Inserting the Case:

- Place the case into the Hornady shell holder.
- Gently press the camlock to securely lock the case in place.

### 4. Trimming:

- With both hands, hold the trimmer steady.
- Operate the trimmer by turning the handle smoothly.
- Monitor the trimming process to ensure that the case is being trimmed evenly.

## 5. **PostUse:**

- After trimming, release the camlock to remove the case.
- Clean the trimmer to remove any shavings or debris.

## **Disposal Instructions**

- Dispose of any nonfunctional or damaged parts of the trimmer according to local regulations.
- Do not dispose of the trimmer in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Hornady CamLock Case Trimmer, please refer to the manufacturer's website or contact your local Hornady representative for assistance.

By following these safety instructions, you can ensure a safe and efficient experience with your Hornady CamLock Case Trimmer. Thank you for your attention to safety.
