

# TYPE S BUSHING FULL DIES - REDDING 7X57MM MAUSER BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

## Attributes

- Name: [REDDING 7X57MM MAUSER BUSHING FULL LENGTH TYPE S DIE](#)
- Manufacturer: [REDDING](#)

# **Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 7X57MM MAUSER BUSHING FULL LENGTH TYPE S DIE**

## **Introduction**

Thank you for choosing the TYPE S BUSHING FULL DIES REDDING 7X57MM MAUSER BUSHING FULL LENGTH TYPE S DIE. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this document carefully before using the die.

## **General Safety Guidelines**

- Ensure safe handling and use of the die to prevent accidents and injuries.
- Always use the die in accordance with the manufacturer's instructions and guidelines.
- Be aware of potential hazards associated with reloading ammunition and take necessary precautions.
- Keep the die and all associated tools out of reach of children and vulnerable individuals.
- Regularly check for product recalls and safety updates on the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die.
- Ensure that your workspace is clean, organized, and free from distractions.
- Do not exceed the recommended load specifications for your ammunition.
- Inspect the die and all components for damage or wear before each use. Do not use damaged parts.
- Maintain a safe distance from the die during operation to avoid injury from any potential mishaps.
- Be cautious of sharp edges and moving parts when handling the die.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that your reloading press is compatible with the TYPE S BUSHING FULL DIE.
- Securely attach the die to the press according to the manufacturer's instructions.
- Adjust the die to the correct position for fulllength sizing operations.

### **2. Usage:**

- Before starting, ensure that the die is clean and free of debris.
- Insert the cartridge case into the die and ensure proper alignment.
- Adjust the bushing position using the adjustable decapping rod if necessary.
- Operate the press smoothly and steadily to resize the cartridge case.
- After use, carefully remove the cartridge case and inspect it for proper sizing.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die or its components in regular household waste.
- Contact local waste management authorities for guidance on the proper disposal of reloading materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the TYPE S BUSHING FULL DIES REDDING 7X57MM MAUSER BUSHING FULL LENGTH TYPE S DIE, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for additional resources.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to these important guidelines.
