

# TYPE S BUSHING FULL DIES - REDDING 6.5MM GRENDEL BUSHING FULL LENGTH TYPE S DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

## Attributes

# **Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 6.5MM GRENDEL BUSHING FULL LENGTH TYPE S DIE**

## **Introduction**

Thank you for purchasing the TYPE S BUSHING FULL DIES REDDING 6.5MM GRENDEL BUSHING FULL LENGTH TYPE S DIE. This guide provides essential safety information and instructions for the safe use of this product. Please read it carefully to ensure proper handling and usage.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using this product.
- Keep the work area clean and organized to prevent accidents.
- Ensure that children and pets are kept away from the work area during use.
- Do not use the product if it appears damaged or malfunctioning.
- Be aware of the potential hazards associated with reloading ammunition and take appropriate precautions.

## **Specific Safety Precautions for Use**

- **Hazard Identification:**
  - Potential hazards include cuts from sharp edges, eye injury from debris, and inhalation of dust particles.
- **Avoiding Hazards:**
  - Always handle tools and dies carefully to avoid cuts or injuries.
  - Use dust masks if working in environments with dust or debris.
  - Ensure proper ventilation when using the product to avoid inhaling fumes.

## **Instructions for Installation and Usage**

- **Installation:**
  1. Unpack the die and ensure all components are present.
  2. Attach the die to your reloading press according to the manufacturer's instructions.
  3. Adjust the bushing position using the adjustable decapping rod as necessary.
- **Usage:**
  1. Ensure the reloading press is securely mounted and stable.
  2. Insert the cartridge case into the die.
  3. Operate the press smoothly to resize the case while maintaining control of the neck.
  4. Check the concentricity of the resized case to ensure accuracy.
  5. After use, clean the die thoroughly to remove any residue.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is no longer usable, dispose of it as per local waste management guidelines. Do not dispose of it in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the TYPE S BUSHING FULL DIES REDDING 6.5MM GRENDDEL BUSHING FULL LENGTH TYPE S DIE, please reach out to the manufacturer or an authorized dealer for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your TYPE S BUSHING FULL DIES REDDING 6.5MM GRENDDEL BUSHING FULL LENGTH TYPE S DIE. Always prioritize safety and proper handling to maximize the performance of your product. Thank you for your attention to these important safety measures.
