

# TYPE S BUSHING FULL DIES - REDDING 30 BR BUSHING FULL LENGTH DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Full Length resizing while maintaining exact control of the case neck is often desirable in one operation. The Redding Type S Bushing Full Length Sizing Dies accomplish this task with the precision you would expect from Redding. Uses the same interchangeable bushings as those used in Redding bushing style neck sizing dies. The adjustable decapping rod allows you to adjust the bushing position, sizing only part of the neck length when desired. Concentricity is enhanced by the ability of the bushing to self-center on the neck of the cartridge case. All Type S dies are supplied with both the standard size button and a decapping pin retainer. By removing the bushing and all internal parts, the Type S Bushing Full Die may also be used as a body die.

## Attributes

- Name: [REDDING 30 BR BUSHING FULL LENGTH DIE](#)

# **Safety Instruction Guide for TYPE S BUSHING FULL DIES REDDING 30 BR BUSHING FULL LENGTH DIE**

## **Introduction**

Thank you for choosing the TYPE S BUSHING FULL DIES REDDING 30 BR BUSHING FULL LENGTH DIE. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die to understand how to operate it safely and effectively.

## **General Safety Guidelines**

- Ensure that the die is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses to protect your eyes from potential debris.
- Keep the work area clean and welllit to avoid accidents.
- Store the die in a secure location, out of reach of children and unauthorized users.
- Do not use the die for any purpose other than its intended use.
- Regularly inspect the die for wear or damage before each use. If any defects are found, do not use the die.

## **Specific Safety Precautions for Use**

- Handle the die with care to avoid pinching or cutting hazards.
- Ensure that the die is securely mounted to the reloading press before use.
- Be cautious of sharp edges on the die and other reloading components.
- Do not exceed the recommended load specifications when using the die.
- Ensure that the bushing is properly adjusted to avoid oversizing or undersizing the neck of the cartridge case.
- Use the adjustable decapping rod only as instructed to prevent misalignment and potential accidents.
- Always follow proper reloading practices to avoid accidents related to ammunition.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the reloading press is turned off and unplugged.
- Select the appropriate bushing for the cartridge case you are resizing.
- Remove the bushing and internal parts if necessary for body die use.
- Securely mount the die into the reloading press according to the manufacturer's instructions.
- Adjust the bushing position using the decapping rod as needed.

### **2. Usage:**

- Prepare the cartridge cases by cleaning and inspecting them for defects.
- Insert the cartridge case into the die and ensure it is properly aligned.
- Operate the reloading press according to the manufacturer's guidelines, applying steady pressure.
- After resizing, remove the cartridge case and inspect it for proper sizing.
- Store the die and any components properly after use to maintain their condition.

## Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local waste management authorities for proper disposal methods.
- Recycle components where possible, following local recycling guidelines.

## Contact Information for Further Support

For further support or inquiries regarding safety and usage of the TYPE S BUSHING FULL DIES REDDING 30 BR BUSHING FULL LENGTH DIE, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and efficient reloading experience with your TYPE S BUSHING FULL DIES REDDING 30 BR BUSHING FULL LENGTH DIE. Thank you for your attention to these safety instructions.
