## Safety Instructions

### Introduction

Thank you for choosing the Redding Full Length Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this manual carefully before using the product.

### General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding reloading and ammunition.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment and materials.
- Store the die set and all reloading components out of reach of children and vulnerable individuals.
- Regularly inspect your die set for any signs of wear or damage before use.
- Follow all manufacturer instructions and guidelines for safe operation.

### Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the die set may result in personal injury or damage to property.
  - Always ensure that the die set is compatible with your specific cartridge type.
- **Avoiding Hazards:**
  - Do not exceed the recommended load specifications when reloading ammunition.
  - Ensure that your workspace is clean and wellorganized to prevent accidents.
  - Keep your hands and clothing clear of moving parts during operation.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 years and older. Ensure that minors are supervised when using this equipment.

### Instructions for Installation and Usage

- **Installation:**
  1. Read the manufacturer's instructions included with the die set.
  2. Securely mount the sizing die in your reloading press according to the manufacturer's specifications.
  3. Adjust the die to the correct position for your specific cartridge.
- **Usage:**
  1. Ensure the reloading press is properly set up and functioning before use.
  2. Insert the cartridge case into the press and follow the die's instructions for sizing and seating.
  3. After each use, clean the die set to maintain its performance and longevity.

### Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Follow hazardous waste disposal guidelines for your area.

### Contact Information for Further Support

For any questions or concerns regarding the Redding Full Length Die Set, please refer to the manufacturer's contact information provided with your product. It is essential to have access to support for safe and effective

operation.

## **Conclusion**

Following these safety instructions will help ensure a safe and successful reloading experience with the Redding Full Length Die Set 3030 Ackley Imp 40. Always prioritize safety and adhere to best practices in reloading to protect yourself and others. Thank you for your commitment to safe reloading.
