# FULL LENGTH DIE SETS 6.5MM GRENDAL FULL LENGTH DIE SET Safety Instruction Guide

## Introduction

Thank you for purchasing the Redding Full Length Die Set for 6.5mm Grendel. This guide provides essential safety information and instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the die set.

## General Safety Guidelines

- Always handle the die set with care to avoid injury.
- Use the die set only for its intended purpose, which is to reload 6.5mm Grendel cartridges.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set for any damage before use. Do not use damaged components.
- Store the die set in a dry, cool place to prevent rust and corrosion.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- Wear safety glasses when using the die set to protect your eyes from debris.
- Use appropriate personal protective equipment (PPE) such as gloves when handling reloading materials.
- Ensure that your workspace is wellventilated to avoid inhaling any harmful fumes.
- Be aware of your surroundings and ensure that no one is in close proximity while you are reloading.
- Only use components (brass, primers, powder, and bullets) that are compatible with 6.5mm Grendel cartridges.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials: Redding Full Length Die Set, 6.5mm Grendel brass, primers, powder, and bullets.
- Ensure you have a clean and organized workspace.

### 2. Setting Up the Die Set

- Install the full length sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to ensure proper sizing of the brass cases.

### 3. Reloading Process

- Resize the brass cases using the full length sizing die.
- After resizing, clean the cases to remove any debris.
- Prime the cases using an appropriate primer for 6.5mm Grendel.
- Measure and add the correct amount of powder to each case.
- Seat the bullets using the seating die, ensuring that they are at the correct depth.

### 4. Final Inspection

- Inspect each completed cartridge for proper seating and overall quality before use.
- Store the completed cartridges in a safe and organized manner.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the Redding Full Length Die Set, please refer to the manufacturer's website or contact their customer support. Ensure you have your product information ready for any inquiries.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Full Length Die Set. Always prioritize safety and compliance with local laws while reloading ammunition.
