Safety Instruction Guide for the Redding 308 Winchester Instant Indicator

Introduction

Thank you for choosing the Redding 308 Winchester Instant Indicator. This precision tool is designed to assist hand loaders in achieving optimal headspace and bullet seating depth. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle the tool with care to avoid injury.
- Keep the tool out of reach of children and vulnerable individuals.
- Ensure that your workspace is clean and free from distractions while using the tool.
- Wear appropriate safety gear, such as safety glasses, when using this tool.
- Regularly inspect the tool for any signs of damage before use.
- If you notice any defects or malfunctions, discontinue use immediately and contact a qualified technician.

Specific Safety Precautions for Use

- Ensure that the tool is used only for its intended purpose as outlined in this guide.
- Avoid using the tool with any modifications or alterations.
- Do not exceed the specified limits of measurement (0.001") to ensure accurate results.
- When comparing fired and sized cases, handle with care to avoid sharp edges.
- Always follow the manufacturer's instructions for setup and operation to prevent accidents.
- Do not use the tool in wet or humid conditions to avoid electrical hazards if applicable.

Instructions for Installation and Usage

1. Setup:

- Remove the Redding 308 Winchester Instant Indicator from its packaging.
- Ensure that you have all components: one bore diameter bushing, surface contactor, shoulder contactor, headspace gauge, and dial indicator.
- Place the tool on a stable, flat surface.

2. Using the Tool:

- To sort bullets for uniformity:
 - Insert the bullet into the bore diameter bushing.
 - Compare with other bullets using the dial indicator.
- To check headspace:
 - Insert a fired case into the shoulder contactor.
 - Use the headspace gauge to measure and compare.
- To assess bullet seating depth:
 - Place the loaded ammunition on the surface contactor.
 - Read the measurement on the dial indicator for depth uniformity.

3. Regular Maintenance:

- Clean the tool after each use with a soft cloth to remove any debris.
- Store the tool in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of the Redding 308 Winchester Instant Indicator in accordance with local regulations.
- Do not throw the tool in regular household waste.
- If the tool becomes damaged beyond repair, consult local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Redding 308 Winchester Instant Indicator, please refer to the manufacturer's contact details provided with the product.

Remember: Always prioritize safety and follow the guidelines outlined in this instruction guide to ensure a safe and effective experience with your Redding 308 Winchester Instant Indicator.
