# Safety Instruction Guide for SEATER DIES

## REDDING SEATER DIE 6.5MM REMINGTON BR

### Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 6.5MM REMINGTON BR. This product is designed to provide precision bullet seating for your reloading needs. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions outlined in this guide.

### General Safety Guidelines

- Always use this product in accordance with the manufacturer's instructions.
- Ensure that the die is compatible with your specific reloading equipment.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use eye protection when operating the die to prevent injury from flying debris.
- Avoid wearing loose clothing or jewelry that could get caught in machinery.
- Work in a wellventilated area to minimize exposure to fumes or dust.
- Ensure that all components are securely fastened before beginning the reloading process.
- Do not exceed the recommended load specifications for your reloading setup.
- Handle all components, including bullets and powder, with care to avoid accidents.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Select the appropriate shell holder for the 6.5 mm BR cartridge.
- Insert the Redding Seating Die into the press and tighten it securely.
- Adjust the die to the desired seating depth according to your specifications.

#### 2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Place a bullet on the case mouth and position the case in the shell holder.
- Operate the press to seat the bullet to the desired depth.
- Inspect each round for proper seating and crimping.
- Repeat the process for additional rounds, ensuring consistent quality.

### Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of hazardous materials in regular waste. Contact local waste management authorities for proper disposal methods.
- Recycle packaging materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the use and safety of the SEATER DIES REDDING SEATER DIE 6.5MM REMINGTON BR, please refer to the manufacturer's website or contact your local dealer for assistance.

Stay safe and enjoy your reloading experience!
