

SEATER DIES - REDDING 6X47MM LAPUA SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

Safety Instruction Guide for SEATER DIES REDDING 6X47MM LAPUA SEATER DIE

Introduction

Thank you for choosing the SEATER DIES REDDING 6X47MM LAPUA SEATER DIE. This product is designed for precision reloading and should be used with care to ensure safety and optimal performance. This guide provides essential safety instructions and guidelines to help you use this product safely and effectively.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is suitable for your specific reloading needs.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Ensure that the work area is wellventilated to avoid inhalation of any dust or debris.
- Do not exceed the recommended load specifications for the die and ammunition.
- Keep hands and other body parts clear of the die during operation to prevent injury.
- Avoid distractions while using the die to ensure full attention to the task at hand.
- Do not modify the die or use it for any purpose other than its intended use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Insert the SEATER DIE into the reloading press according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.
- Adjust the seating depth according to your specifications.

2. Usage:

- Place the cartridge case into the shell holder of the reloading press.
- Insert the bullet into the case mouth.
- Slowly raise the ram to engage the die and seat the bullet.
- Inspect the seated bullet for proper depth and alignment.
- Repeat the process for additional cartridges, ensuring consistent results.

Disposal Instructions

- Dispose of any used or damaged dies in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local recycling centers for proper disposal methods for metal products.

Contact Information for Further Support

For any safety inquiries or further support regarding the SEATER DIES REDDING 6X47MM LAPUA SEATER DIE, please consult your local distributor or visit the manufacturer's website for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the SEATER DIES REDDING 6X47MM LAPUA SEATER DIE. Thank you for your attention to safety.
