Safety Instruction Guide for RIFLE 30MM GOLIATH FRONT SIGHT DIOPTER

Introduction

Thank you for choosing the RIFLE 30MM GOLIATH FRONT SIGHT DIOPTER. This product is designed to enhance your shooting experience by providing clearer and sharper target images. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle the sight with care to prevent damage.
- Ensure the sight is securely attached to your rifle before use.
- Regularly inspect the sight for any signs of wear or damage.
- Keep the sight and all related equipment out of reach of children.
- Do not use the sight if it is damaged or malfunctioning.
- Always follow local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Ensure proper eye protection is worn while using the rifle equipped with the sight.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not point the rifle at anything you do not intend to shoot.
- Always treat every firearm as if it is loaded.
- Use the sight only for its intended purpose; do not modify or alter it.

Instructions for Installation and Usage

Installation

1. **Prepare the Rifle:** Ensure that the rifle is unloaded and pointed in a safe direction.
2. **Locate the Front Tube:** Identify the front tube of your rifle where the sight will be installed.
3. **Thread the Diopter Lens:** Carefully thread the Centra diopter lens into the front tube of the rifle. Ensure it is securely fastened but do not overtighten.
4. **Check Alignment:** Verify that the sight is properly aligned with the rifle's barrel.
5. **Final Inspection:** Doublecheck that the sight is securely attached and that there are no obstructions.

Usage

- Look through the diopter lens to align your target.
- Adjust your shooting position as necessary for comfort and accuracy.
- Practice safe shooting techniques and follow all relevant laws and regulations.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Check with local waste management facilities for proper disposal methods for optical equipment.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the EU contact point for assistance. Always ensure you have the latest information regarding product recalls or safety alerts.

Thank you for taking the time to read this safety instruction guide. Your safety and enjoyment are our top priorities.
