

DELUXE 3-DIE SETS - REDDING 35 REMINGTON 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 35 REMINGTON 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 35 REMINGTON 3 DIE SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the die set by following all provided instructions.
- Be aware of potential hazards associated with handling and using reloading equipment.
- Always use the die set in accordance with the manufacturer's specifications.
- Regularly check for any updates or recalls regarding the product on the EU's Safety Gate platform.
- If you encounter any unsafe products or accidents, report them to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Keep the die set out of reach of children and pets to prevent accidents.
- Inspect the die set for any damage before use. Do not use damaged dies.
- Ensure that your work area is clean, dry, and welllit to avoid accidents.
- Avoid distractions while using the die set to maintain focus and safety.
- Follow all local regulations regarding the handling and storage of ammunition components.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is compatible with the die set.
- Secure the full length sizing die in the press first, following the manufacturer's instructions.
- Next, install the standard seating die and then the neck sizing die.
- Adjust the dies according to the specifications provided in the accompanying manual.

2. Usage:

- Always refer to reliable reloading data when using the die set.
- Follow the correct procedures for resizing, seating, and neck sizing as per the manufacturer's guidelines.
- Regularly check the adjustments of the dies to ensure they are set correctly.
- After use, clean the dies to maintain their functionality and lifespan.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the die set becomes unusable or damaged beyond repair, dispose of it in a manner that complies with environmental regulations.
- Do not throw away the die set in regular household waste; check for recycling options in your area.

Contact Information for Further Support

For any inquiries or support regarding the DELUXE 3DIE SETS REDDING 35 REMINGTON 3 DIE SET, please refer to the manufacturer's contact information provided on the packaging or visit their official website for assistance.

Thank you for prioritizing safety while using your DELUXE 3DIE SETS REDDING 35 REMINGTON 3 DIE SET. Enjoy your reloading experience!
