

DELUXE 3-DIE SETS - REDDING 30 TC 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 30 TC 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 30 TC 3 DIE SET. This product is designed to assist you in producing highquality ammunition safely and efficiently. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, welllit, and free of distractions.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage before use. Do not use if damaged.
- Always wear appropriate safety gear, including safety glasses, when using the die set.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges or moving parts.
 - Risk of improper ammunition fitting if dies are not used correctly.
- **Avoiding Hazards:**
 - Handle all dies with care to avoid cuts or injuries.
 - Ensure that all components are properly assembled before use.
 - Do not exceed recommended load specifications for the ammunition.
 - Do not modify the dies or use them for purposes other than intended.
- **AudienceSpecific Warnings:**
 - This product is not intended for use by children. Adult supervision is required when used by inexperienced individuals.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the reloading press is securely mounted to a stable work surface.
 2. Select the appropriate die for the task:
 - Full Length Sizing Die
 - Standard Seating Die
 - Neck Sizing Die
 3. Insert the die into the press and tighten securely to prevent movement during operation.
- **Usage:**
 1. Always refer to the reloading manual for specific instructions regarding the use of the dies with your chosen cartridge.
 2. Adjust the seating die to the desired depth according to your specifications.
 3. Use the decapping pin provided to remove spent primers safely.
 4. Regularly check the dies for wear and tear and clean them as necessary to maintain performance.
 5. Store the dies in the provided die box when not in use to prevent damage.

Disposal Instructions

- Dispose of any damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs for metal components.
- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any inquiries or concerns regarding the DELUXE 3DIE SETS REDDING 30 TC 3 DIE SET, please refer to the contact information provided in the product packaging.

Thank you for prioritizing safety and compliance while using this product. Enjoy your reloading experience!
