

# CASE TRIMMER - REDDING CASE TRIMMER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

Redding's collet style trimmer is unique in that the case turns while the cutter remains stationary (like a lathe works). The trimmer is built around a cast iron frame and is long enough to handle all of the new long action cartridges. The TiN coated cutter produces clean and accurate cuts. The universal collet fits all popular rifle and pistol cases, eliminating the need to buy other sizes. The trimmer comes with 6 pilots; .22 cal, 6mm, .25 caliber, .277 caliber, 7mm, and .30 caliber. It also comes with two neck cleaning brushes (.22 thru .30 caliber) and large and small primer pocket cleaners. Pilots for additional calibers are available.

## Attributes

- Name: [REDDING CASE TRIMMER](#)
- Manufacturer: [REDDING](#)
- Product no.: 749007299

# Safety Instruction Guide for Redding Case Trimmer

## Introduction

Thank you for choosing the Redding Case Trimmer. This guide provides essential safety information and instructions for the safe use of this product. Please read and understand these guidelines before using the trimmer to ensure safe operation and to maximize the product's performance.

## General Safety Guidelines

- Always read the instruction manual thoroughly before use.
- Ensure the trimmer is placed on a stable, flat surface during operation.
- Keep the work area clean and welllit to avoid accidents.
- Use the trimmer only for its intended purpose: trimming cases for reloading ammunition.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Keep hands and other body parts clear of the cutting area while the trimmer is in operation.
- Do not operate the trimmer if you are tired, under the influence of drugs or alcohol, or if you are feeling unwell.
- Ensure all safety features are functioning properly before use.
- Regularly inspect the trimmer for any signs of wear or damage. Do not use a damaged trimmer.
- Store the trimmer in a safe place, out of reach of children and pets.

## Specific Safety Precautions for Use

- Ensure that the cutter is securely attached before beginning any trimming operation.
- Use the correct pilot for the specific caliber being trimmed to avoid accidents and ensure accuracy.
- Do not exceed the manufacturer's recommended limits for case length or caliber use.
- If the trimmer becomes jammed, turn off the power and unplug it before attempting to clear the jam.
- Avoid wearing loose clothing or jewelry that could become caught in the trimmer.
- Do not use the trimmer in wet or damp conditions to prevent electrical hazards.
- If you experience any unusual sounds or vibrations during operation, stop using the trimmer immediately and check for issues.

## Instructions for Installation and Usage

### 1. Setup:

- Unpack the trimmer and check that all parts are included: the trimmer, six pilots, and cleaning brushes.
- Place the trimmer on a sturdy workbench or table, ensuring it is secure.

### 2. Installation of the Pilot:

- Select the appropriate pilot for the case caliber you will be trimming.
- Insert the pilot into the collet and tighten securely.

### 3. Trimming Cases:

- Insert the case into the pilot and ensure it is properly seated.
- Turn the crank handle to rotate the case against the stationary cutter.
- Continue until the desired length is achieved.

#### **4. Cleaning:**

- After use, clean the cutter and pilots to remove any debris.
- Use the provided neck cleaning brushes for maintenance.

#### **5. Storage:**

- Store the trimmer in a dry location, away from direct sunlight and moisture.
- Ensure that all parts are accounted for and stored safely.

## **Disposal Instructions**

- Dispose of the trimmer and any wornout parts in accordance with local regulations.
- Do not dispose of electrical components in household waste.
- Check for local recycling programs that accept metal and electronic waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Case Trimmer, please refer to the manufacturer's website or customer service for support.

By following these safety instructions, you can ensure safe and effective use of your Redding Case Trimmer. Thank you for prioritizing safety and responsible use.
