

COMPETITION SEATER DIES - REDDING 30-06 SPRINGFIELD BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

Safety Instruction Guide for Redding Competition Seater Die

Introduction

Thank you for choosing the Redding Competition Bullet Seater for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this guide thoroughly before using the die.

General Safety Guidelines

- Ensure that all equipment is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when handling reloading equipment.
- Keep the work area clean and organized to prevent accidents.
- Store the die and all reloading components out of reach of children and unauthorized users.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Regularly check for updates on product recalls and safety alerts on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the die can lead to malfunctions or dangerous projectiles.
 - Ensure that the die is compatible with the cartridges you are using (3006 Springfield).
- **Avoiding Hazards:**
 - Always verify that the die is securely attached to the reloading press before use.
 - Do not exceed the recommended seating depth adjustments.
 - Never attempt to modify the die or its components.
 - Use only manufacturerrecommended components and materials.
- **AgeSpecific Warnings:**
 - This product is intended for use by adults. Keep out of reach of children.
 - Ensure that inexperienced users are supervised by knowledgeable individuals.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the reloading press is turned off and unplugged.
 2. Clean the threads of the die and the press to remove any debris.
 3. Screw the die into the reloading press until it is snug. Do not overtighten.
 4. Adjust the die to the desired height for bullet seating.
- **Usage:**
 1. Prepare your cartridges and ensure they are free from defects.
 2. Insert the cartridge into the die.
 3. Use the micrometeradjustable feature to set the desired seating depth.
 4. Slowly apply pressure to the press handle to seat the bullet.
 5. Check the seating depth after each bullet to ensure accuracy.

6. Repeat the process for all cartridges.

- **PostUsage:**

- Clean the die after use to prevent corrosion and ensure longevity.
- Store the die in a dry, cool place when not in use.

Disposal Instructions

- Dispose of any defective or damaged dies in accordance with local regulations.
- Do not throw the die in regular household waste. Check with local recycling programs for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, product usage, or technical support, please reach out to the manufacturer or authorized distributors. Ensure that you have the product details at hand for efficient assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with your Redding Competition Bullet Seater Die. Thank you for prioritizing safety in your reloading practices.
