

# COMPETITION SEATER DIES - 300 WINCHESTER MAGNUM BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001"" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

# Safety Instruction Guide for COMPETITION SEATER DIES 300 WINCHESTER MAGNUM BULLET SEATING DIE

## Introduction

Thank you for choosing the Redding Competition Bullet Seater for your reloading needs. This guide provides essential safety instructions and usage information to ensure your experience is safe and effective. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always follow local laws and regulations regarding the use of reloading equipment.
- Ensure that the workspace is welllit and free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the die and its components for damage before use.
- Use the die only for its intended purpose, which is to seat bullets in 300 Winchester Magnum cartridges.
- Always wear appropriate safety gear, including eye protection, while reloading.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use may lead to accidents, including personal injury or damage to the equipment.
- **Avoiding Hazards:**
  - Do not exceed the recommended seating depth adjustments.
  - Ensure the die is securely mounted to prevent movement during operation.
  - Keep fingers and hands clear of moving parts during operation.
  - Use only compatible cartridges as specified.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the reloading press is securely mounted on a stable surface.
2. Remove the bullet seating die from its packaging.
3. Screw the die into the reloading press using the 7/814 threads until it is snug.
4. Adjust the die according to your preferred seating depth using the micrometer.

### • Usage:

1. Place a cartridge case into the reloading press.
2. Insert a bullet into the mouth of the cartridge case.
3. Pull the handle of the press to seat the bullet.
4. Check the seating depth using a caliper for precision.
5. Repeat the process for additional cartridges as needed.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local recycling programs for proper disposal methods of reloading equipment and materials.

## Contact Information for Further Support

For any safety inquiries or support, please refer to the appropriate contact point in your region. Always ensure that you have the latest information regarding safety recalls and updates.

This guide is designed to provide you with the necessary information to use your Redding Competition Bullet Seater safely and effectively. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety instructions.
