

# COMPETITION SEATER DIES - 6MM BR BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001"" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

# Safety Instruction Guide for COMPETITION SEATER DIES 6MM BR BULLET SEATING DIE

## Introduction

Thank you for purchasing the COMPETITION SEATER DIES 6MM BR BULLET SEATING DIE. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read through this document carefully before using the die.

## General Safety Guidelines

- Ensure that you understand all safety instructions before using the bullet seating die.
- Always use the die in accordance with the manufacturer's instructions.
- Keep the die and all reloading components out of the reach of children.
- Be aware of your surroundings and ensure that you are in a safe environment when using this product.
- Regularly inspect the die for any signs of wear or damage before use.
- Report any unsafe conditions, incidents, or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Ensure that your work area is welllit and free from clutter to avoid accidents.
- Use the die only with compatible cartridges (6 mm BR) to prevent malfunctions.
- Do not exceed the recommended seating depth adjustments as specified in the product instructions.
- Never attempt to modify or disassemble the die for any reason.
- Be cautious of sharp edges and moving parts when operating the die.

## Instructions for Installation and Usage

### 1. Installation:

- Clean the die and ensure it is free from debris.
- Securely attach the die to your reloading press following the manufacturer's guidelines for installation.
- Ensure that the die is tightened properly to prevent movement during operation.

### 2. Usage:

- Adjust the seating depth using the micrometer feature in .001" increments.
- Set the zero point to your preferred seating depth using the zero set feature.
- Insert the cartridge case into the die and ensure it is seated correctly.
- Apply consistent pressure to the press handle to seat the bullet evenly.
- Inspect the completed cartridge for proper seating depth and alignment.

## Disposal Instructions

- Dispose of any unused or defective components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs or hazardous waste disposal guidelines.
- Ensure that all packaging materials are recycled or disposed of responsibly.

## Contact Information for Further Support

For any safety inquiries or additional support related to the COMPETITION SEATER DIES 6MM BR BULLET SEATING DIE, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to these important guidelines.
