# Safety Instruction Guide for L.E. Wilson Micrometer Top Bullet Seater Dies 6mm BR

## Introduction

Thank you for choosing the L.E. Wilson Micrometer Top Bullet Seater Dies 6mm BR. This product is designed to provide reloaders with a reliable tool for achieving accurate bulletseating depths. To ensure safe and effective use, please read and follow the safety guidelines and instructions outlined in this guide.

## General Safety Guidelines

- Always wear appropriate safety gear, including eye protection, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the workspace is clean, dry, and free from distractions.
- Do not use the product for any purpose other than its intended use.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the Micrometer Top Bullet Seater Die only with an Arbor Press as specified.
- Make sure the Arbor Press is securely mounted and stable before use.
- Adjust the die carefully to avoid overseating bullets, which can lead to dangerous conditions.
- Avoid placing your hands or any body parts near moving parts during operation.
- Do not exceed the recommended bulletseating depths as indicated in your reloading data.
- Store the product in a safe and secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Arbor Press is clean and free from debris.
- Attach the Micrometer Top Bullet Seater Die to the Arbor Press according to the manufacturer's instructions.
- Confirm that the die is securely fastened and properly aligned.

### 2. Usage:

- Set the desired bulletseating depth using the micrometer scale, adjusting in 0.001" increments.
- Insert the bullet into the case and place it under the seater die.
- Slowly operate the Arbor Press to seat the bullet to the desired depth.
- Carefully remove the seated bullet and inspect for accuracy.
- If necessary, repeat the process to achieve the desired seating depth.

## Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated recycling or hazardous waste disposal sites.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the product, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure a safe and effective experience with your L.E. Wilson Micrometer Top Bullet Seater Dies 6mm BR. Thank you for prioritizing safety in your reloading activities.
