

# SINCLAIR LIGHTWEIGHT REST (BASE AND LEGS ONLY) - LIGHTWEIGHT SHOOTING REST BASE & LEGS ONLY

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

We designed our Lightweight Rest for shooters who needed a lighter, more economical option to a standard weight cast iron rest tripod. The Lightweight tripod is machined aluminum, and the leg screws and T-handle are lightened to produce a weight savings of over 11 pounds from our standard rests. These Lightweight rest are ideal for F-Class shooters, field shooters, sight in sessions and plinking. Our Lightweight Rests accept all Sinclair rest tops and accessories including F-Class extended leg screws and Speed Screw. Our lightweight rest base is ready to accept your existing Sinclair rest top from another rest if you would like to lighten things up for portability. Loosen the t-handle of your existing Sinclair rest and lift out the top, post and handwheel and drop it into this lightweight base. Lock the post in place and you are ready to go.

# Safety Instruction Guide for SINCLAIR LIGHTWEIGHT REST (BASE AND LEGS ONLY)

## Introduction

Thank you for choosing the SINCLAIR LIGHTWEIGHT REST. This guide provides essential safety instructions and information to ensure the safe and effective use of the product. Please read this manual carefully before using the rest.

## General Safety Guidelines

- Ensure that the Lightweight Rest is used in accordance with the manufacturer's instructions.
- Regularly inspect the rest for any signs of wear or damage.
- Do not exceed the weight limit specified for the rest.
- Keep the rest out of reach of children and vulnerable individuals.
- Always use the rest in a safe and stable environment, free from distractions.

## Specific Safety Precautions for Use

- Always ensure that the Lightweight Rest is securely set up before use.
- Avoid placing the rest on uneven or unstable surfaces.
- Do not modify or alter the rest in any way.
- When adjusting the height or position of the legs, take care to prevent pinching or injury.
- Use only compatible Sinclair rest tops and accessories with the Lightweight Rest.
- Store the rest in a dry place to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Setting Up the Rest:

- Unpack the Lightweight Rest and ensure all components are included.
- Place the base on a flat, stable surface.
- Adjust the legs to the desired height by loosening the Thandle, positioning the legs, and tightening the Thandle securely.

### 2. Attaching the Rest Top:

- Loosen the Thandle on your existing Sinclair rest to remove the top, post, and handwheel.
- Carefully place the removed components into the Lightweight Rest base.
- Lock the post in place by tightening the relevant screws.

### 3. Using the Rest:

- Position your firearm securely on the rest, ensuring it is stable.
- Make any necessary adjustments to the rest for optimal aiming and shooting.
- Always maintain focus on your firearm and surroundings while using the rest.

### 4. PostUse Care:

- After use, disassemble the rest if necessary and store it in a safe location.
- Clean the rest as needed to maintain its condition.

## Disposal Instructions

- Dispose of the Lightweight Rest responsibly and in accordance with local regulations.
- Recycle materials where possible to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the SINCLAIR LIGHTWEIGHT REST, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SINCLAIR LIGHTWEIGHT REST. Always prioritize safety and proper usage to enhance your shooting experience.
