

# DR. BAG - PROTEKTOR DR. BAG WITH CORDURA EARS

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

The Protektor Dr. Bags are the answer for shooters who prefer a rear bag as heavy as a boat anchor for piece of mind. The Dr. Bags weigh in at over 15 lbs filled with heavy bag sand. These bags have a larger footprint and a thick, heavy bottom to resist warping or bag 'rocking'. The extra-long, mid-range ear height is extremely supportive and stable, allowing your gun to track consistently. Available in either leather or Cordura ear versions. Features three rows of stitching that creates a half-inch space between the ears. Note: Sand is required to fill these bags.

# Safety Instruction Guide for DR. BAG PROTEKTOR DR. BAG WITH CORDURA EARS

## Introduction

Thank you for choosing the DR. BAG PROTEKTOR DR. BAG WITH CORDURA EARS. This product is designed to provide stability and support for shooters. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the bag for any signs of wear or damage before use.
- Keep the bag out of reach of children and pets when not in use.
- Follow all local laws and regulations regarding the use of shooting accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Weight Consideration:** The bag weighs over 15 lbs when filled. Ensure that it is placed on a stable surface to prevent tipping.
- **Filling Material:** Use only heavy bag sand to fill the bags. Other materials may not provide the necessary stability and could pose a risk.
- **Ear Height:** The extralong, midrange ear height is designed for stability. Ensure that the bag is positioned correctly to maximize support.
- **Avoid Warping:** Place the bag on a flat surface to prevent warping or rocking during use.
- **Secure Handling:** When moving the bag, ensure a firm grip to avoid dropping it.

## Instructions for Installation and Usage

### 1. Filling the Bag:

- Open the filling compartment of the bag.
- Carefully fill the bag with heavy bag sand until it reaches the desired weight.
- Ensure the compartment is securely closed after filling.

### 2. Setting Up the Bag:

- Place the filled bag on a flat, stable surface.
- Adjust the position of the bag to ensure that it provides the necessary support for your firearm.

### 3. Using the Bag:

- Rest your firearm on the bag, ensuring that it is stable and secure.
- Monitor the bag during use to ensure it remains stable and does not shift.

## Disposal Instructions

- Dispose of the bag responsibly in accordance with local waste disposal regulations.
- If the bag is damaged beyond repair, consider recycling options for the materials used in its construction.
- Do not dispose of the bag in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**
