

DR. BAG - PROTEKTOR DR. BAG WITH LEATHER EARS

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

The Protektor Dr. Bags are the answer for shooters who prefer a rear bag as heavy as a boat anchor for piece of mind. The Dr. Bags weigh in at over 15 lbs filled with heavy bag sand. These bags have a larger footprint and a thick, heavy bottom to resist warping or bag 'rocking'. The extra-long, mid-range ear height is extremely supportive and stable, allowing your gun to track consistently. Available in either leather or Cordura ear versions. Features three rows of stitching that creates a half-inch space between the ears. Note: Sand is required to fill these bags.

Safety Instruction Guide for DR. BAG PROTEKTOR DR. BAG WITH LEATHER EARS

Introduction

Thank you for choosing the DR. BAG PROTEKTOR DR. BAG WITH LEATHER EARS. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the bag.

General Safety Guidelines

- Ensure the bag is filled with heavy bag sand only, as other materials may compromise safety and functionality.
- Always inspect the bag for any signs of wear or damage before use.
- Keep the bag out of reach of children to prevent accidents and injuries.
- Use the bag only for its intended purpose as a rear bag for shooting; misuse may lead to injury or damage.
- Follow all local laws and regulations regarding firearms and shooting practices.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of over 15 lbs when filling the bag.
- Ensure that the bag is placed on a stable surface to prevent tipping or sliding during use.
- Be mindful of your surroundings and ensure that the shooting area is clear of obstructions and bystanders.
- When using the bag, maintain a proper shooting stance and grip to enhance stability and control.
- Avoid placing any part of your body in front of the bag while shooting.

Instructions for Installation and Usage

• Filling the Bag:

1. Open the filling port of the bag.
2. Carefully fill the bag with heavy bag sand until it reaches the desired weight.
3. Securely close the filling port to prevent spillage.

• Using the Bag:

1. Position the DR. BAG PROTEKTOR on a stable shooting surface.
2. Adjust the ear height to ensure proper support for your firearm.
3. Place your firearm on the bag, ensuring it is stable and secure.
4. Maintain a firm grip on your firearm while aiming and shooting.

• PostUse Care:

1. After use, remove any sand from the bag if necessary.
2. Store the bag in a cool, dry place away from direct sunlight to prolong its lifespan.
3. Regularly check for wear and tear, and replace the bag if any damage is found.

Disposal Instructions

- Dispose of the bag in accordance with local waste disposal regulations.
- If the bag is damaged beyond repair, consider recycling materials where possible.

- Do not dispose of the bag in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to your local distributor or manufacturer's contact point.

By following these safety instructions, you can ensure a safe and enjoyable experience with your DR. BAG PROTEKTOR DR. BAG WITH LEATHER EARS. Thank you for your attention to these important guidelines.
