BOYT Varmint Rifle Case Safety Instructions

Introduction

Thank you for choosing the BOYT Varmint Rifle Case with Pocket. This product is designed to provide safe and reliable storage for your varmint rifle. To ensure your safety and the longevity of your case, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your rifle is unloaded before placing it in the case.
- Avoid exposing the case to extreme temperatures or moisture, which can affect the material and integrity of the case.
- Regularly inspect the case for any signs of wear or damage, especially the zipper and handles.
- Store the case in a secure location, away from children and unauthorized users.
- If you notice any defects or issues with the case, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- Ensure that the rifle is properly secured within the case to prevent movement during transport.
- When using the case, avoid placing heavy objects on top of it, as this may damage the case or the rifle inside.
- Do not use the case to store ammunition or other hazardous materials.
- Be cautious when using the twoway zipper; ensure that no part of your clothing or body is caught in the zipper mechanism.
- If the case becomes dirty, clean it with a damp cloth. Do not use harsh chemicals or abrasive materials.

Instructions for Installation and Usage

1. Preparation:

- Ensure your rifle is unloaded and any accessories are removed.
- Open the case fully and lay it flat on a stable surface.

2. Loading the Rifle:

- Place the rifle into the case, ensuring the barrel is positioned correctly and the scope is not obstructed.
- If applicable, place any additional accessories in the designated pocket.

3. Securing the Case:

- Close the case and ensure the twoway zipper is fully zipped, securing the contents inside.
- Use the wraparound web handles for easy transport.

4. Transporting the Case:

- Carry the case with both hands to maintain balance.
- Avoid swinging or dropping the case while transporting it.

5. Storage:

- Store the case in a cool, dry place when not in use.
- Ensure it is out of reach of children and pets.

Disposal Instructions

- When the case reaches the end of its life cycle, dispose of it in accordance with local regulations regarding textile and plastic waste.
- Do not burn the case, as this may release harmful substances.
