FULL LENGTH SIZING DIES Safety Instruction Guide

Introduction

Thank you for choosing the Redding Full Length Sizing Die for 8x56mm Mannlicher cartridges. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective operation of this product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Store the product in a dry, cool place away from direct sunlight and moisture.
- Always inspect the dies for any signs of damage or wear before use.
- Keep the dies out of reach of children and unauthorized persons.
- Use protective eyewear and appropriate safety gear when using this product.

Specific Safety Precautions for Use

- Do not exceed the recommended load specifications when using the dies.
- Ensure that your workspace is clean and organized to prevent accidents.
- Always use a headspace gauge when setting up the full length sizing die to prevent oversizing.
- Be cautious when handling sharp tools and components associated with the sizing process.
- Avoid wearing loose clothing or jewelry that may get caught in machinery.

Instructions for Installation and Usage

1. Setup:

- Securely mount the sizing die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the appropriate height for your specific cartridge and press.
- Insert the decapping assembly and expander ball as per the provided instructions.

2. Using the Die:

- Place the cartridge case into the shell holder of your reloading press.
- Raise the ram to bring the case into contact with the sizing die.
- Apply steady pressure to resize the case fully, ensuring the neck and body are sized properly.
- After resizing, lower the ram and remove the case for inspection.

3. PostUse Care:

- Clean the dies after use to remove any residue and prevent corrosion.
- Store the dies in a protective case or container to avoid damage.

Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local waste management regulations.
- Do not dispose of the dies in household waste if they are considered hazardous materials.
- If unsure, contact your local waste disposal authority for guidance.

Contact Information for Further Support

For any safety inquiries or further support regarding this product, please refer to the manufacturer's contact information provided on the packaging or their official website.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Redding Full Length Sizing Die. Thank you for prioritizing safety in your reloading practices.
