Safety Instruction Guide for Redding Full Length Sizing Die 7mm IHMSA

Introduction

Thank you for choosing the Redding Full Length Sizing Die for your reloading needs. This guide provides essential safety instructions and operational guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die.

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment and the specific requirements for the 7mm IHMSA cartridge.
- Always use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Keep the work area clean and organized to prevent accidents.
- Store the die and all reloading components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the die for signs of wear or damage before each use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges or moving parts.
 - Potential exposure to lead and other hazardous materials.
- **Avoiding Hazards:**
 - Handle the die with care to avoid cuts or abrasions.
 - Ensure that the die is securely mounted and stable during use.
 - Avoid wearing loose clothing or jewelry that could get caught in machinery.
- **AgeSpecific Warnings:**
 - This product is intended for adult use only. Keep out of reach of children.
 - Ensure that inexperienced users are supervised by a knowledgeable adult.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted to a stable work surface.
- Insert the Redding Full Length Sizing Die into the press as per the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Begin by preparing your cartridge cases by cleaning and inspecting them.
- Place a cartridge case into the shell holder of the reloading press.
- Slowly raise the ram to engage the die with the cartridge case.
- Apply consistent pressure to size the case fully. Ensure the neck and body are properly sized.
- After sizing, lower the ram and remove the cartridge case.

- Use the decapping assembly to remove the spent primer from the case.
- Repeat the process for each cartridge case as needed.

3. PostUse Care:

- Clean the die after use to remove any debris or residue.
- Store the die in a dry place to prevent corrosion.

Disposal Instructions

- Dispose of any used cartridge cases and hazardous materials in accordance with local regulations.
- Do not throw away the die in regular household waste. Instead, check local guidelines for the proper disposal of metal components.

Contact Information for Further Support

For any questions or concerns regarding the Redding Full Length Sizing Die, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Full Length Sizing Die. Always prioritize safety and stay informed about the proper handling and use of reloading equipment.
