

DELUXE 3-DIE SETS - REDDING 280 ACKLEY IMPROVED 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS

REDDING 280 ACKLEY IMPROVED 3 DIE SET

Introduction

Thank you for choosing the Redding Deluxe 3DIE Set for your reloading needs. This guide provides important safety information to ensure the safe and effective use of this product. Please read this guide carefully before using the die set.

General Safety Guidelines

- Always use the die set according to the manufacturer's instructions.
- Ensure that you are in a wellventilated area while reloading.
- Keep all components out of reach of children and pets.
- Regularly inspect the die set for signs of wear or damage.
- Never use the die set with incompatible cartridges or materials.
- Store the die set in a dry, cool place to prevent rust and corrosion.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from debris during reloading.
- Use gloves to protect your hands from sharp edges and chemicals.
- Be cautious of hot surfaces during and after the reloading process.
- Do not overload the dies beyond their specified limits.
- Ensure that the reloading press is securely mounted to prevent movement during use.
- Follow all local laws and regulations regarding reloading and ammunition.

Instructions for Installation and Usage

1. Unpacking the Die Set

- Carefully remove the die set from the packaging.
- Inspect each die for any visible damage or defects.

2. Installing the Dies

- Securely mount the reloading press on a stable surface.
- Install the full length sizing die into the press following the manufacturer's guidelines.
- Install the neck sizing die and the seating die in the same manner.

3. Using the Dies

- Adjust the full length sizing die to ensure proper sizing of the cartridge.
- Use the neck sizing die to refine the fit of the cartridge neck.
- Follow the manufacturer's instructions to adjust the seating die for accurate bullet seating.

4. Cleaning and Maintenance

- After each use, clean the dies with a soft cloth to remove any debris.
- Inspect the dies regularly and apply a light coat of oil to prevent rust.

5. Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of the die set in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding the Redding Deluxe 3DIE Set, please reach out to the designated EU contact point provided with your product documentation.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable reloading experience with your Redding Deluxe 3DIE Set. Always prioritize safety and adhere to best practices while handling and using reloading equipment. Thank you for your attention to these important guidelines.
