

COMPETITION SEATER DIES - REDDING 6MM REMINGTON ACKLEY IMPROVED BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

Safety Instruction Guide for Redding Competition Seater Dies

Introduction

Thank you for choosing the Redding Competition Bullet Seater for your reloading needs. This guide provides essential safety instructions and guidelines to help you use this product safely and effectively. Please read this guide carefully before use to ensure a safe and successful reloading experience.

General Safety Guidelines

- Always handle ammunition and reloading equipment with care and respect.
- Ensure you are familiar with the laws and regulations regarding ammunition reloading in your area.
- Store all reloading components, including dies, in a secure location out of reach of children and unauthorized users.
- Use only components that are compatible with the Redding Competition Bullet Seater.
- Regularly inspect your reloading equipment for wear and damage before use.
- If you notice any defects in the die or any other reloading equipment, do not use them and contact a qualified professional for assistance.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Make sure your workspace is wellventilated to avoid inhalation of dust or fumes from reloading materials.
- Do not exceed the recommended load specifications for your cartridges.
- Keep your work area clean and free of clutter to prevent accidents.
- Avoid distractions while reloading to maintain focus and precision.
- Follow the manufacturer's instructions for adjusting the micrometer and setting the seating depth.
- Never attempt to modify the die or its components.

Instructions for Installation and Usage

1. Installation

- Ensure your reloading press is securely mounted and stable.
- Thread the Redding Competition Bullet Seater die into the press using the appropriate tool.
- Tighten the die securely, but do not overtighten as this may damage the die or press.

2. Setting Up for Use

- Adjust the micrometer on the die to your desired seating depth. The micrometer is calibrated in .001 inch increments for precision.
- Use the zero set feature to establish a reference point for your preferred seating depth.

3. Reloading Process

- Start by preparing your brass cases and ensuring they are clean and properly sized.
- Insert a bullet into the case mouth and position it under the die.
- Slowly operate the press to seat the bullet to the desired depth.
- Inspect the seated bullet for proper alignment and depth after each round.
- Repeat the process for each cartridge, ensuring that you maintain the correct seating depth.

Disposal Instructions

- Dispose of any defective or damaged reloading components according to local regulations.
- Do not throw away reloaded ammunition unless it is confirmed to be unsafe or defective.
- Follow local guidelines for disposing of hazardous materials, including spent primers and powder.

Contact Information for Further Support

For any questions or concerns regarding the Redding Competition Bullet Seater, please reach out to the manufacturer or authorized dealers for assistance. Ensure you have the product details ready for efficient support.

Conclusion

Your safety is paramount when using the Redding Competition Bullet Seater. By following these guidelines and instructions, you can ensure a safe reloading experience. Always prioritize safety and compliance with local laws and regulations. Thank you for choosing Redding, and happy reloading!
