Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS REDDING 223 WSSM BUSHING NECK DIE SET

Introduction

Thank you for choosing the TYPE S BUSHING NECK DIE SETS REDDING 223 WSSM BUSHING NECK DIE SET. This product is designed to assist reloaders in precisely controlling case neck size and tension. It is important to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.
- Keep the work area clean and organized to prevent accidents.
- Store the die set in a cool, dry place away from children and pets.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not modify the die set in any way, as this may compromise safety.
- Always follow the manufacturer's instructions when using the die set.
- Use the appropriate bushing for the specific cartridge to ensure proper fit and function.
- Avoid reloading under the influence of alcohol or drugs.
- Never exceed recommended load limits as specified in reloading manuals.
- Ensure that the work area is wellventilated to avoid inhalation of dust or fumes.

Instructions for Installation and Usage

1. Unboxing the Die Set

- Open the Redding Die Box and carefully remove the die set components.
- Ensure that all parts, including the Type S Bushing Neck Die, Body Die, wrench, and extra decapping pin, are included.

2. Setting Up the Die Set

- Install the Body Die in your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired position for your specific reloading requirements.

3. Using the Type S Bushing Neck Die

- Select the appropriate bushing for the 223 WSSM cartridge.
- Install the bushing into the Type S Bushing Neck Die.
- Follow the reloading manual for proper sizing and tension adjustments.

4. Decapping and Reloading

- Use the provided extra decapping pin for any necessary decapping during the reloading process.
- Follow all safety protocols while handling primers and powder.

5. Final Checks

- Inspect each cartridge after reloading to ensure proper sizing and function.
- Store completed cartridges in a safe and appropriate manner.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Ensure that hazardous materials, such as spent primers and powders, are disposed of safely and responsibly.
- Do not dispose of products in general waste; follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the TYPE S BUSHING NECK DIE SET, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety in your reloading activities. Enjoy your reloading experience with the TYPE S BUSHING NECK DIE SETS REDDING 223 WSSM BUSHING NECK DIE SET!
