

# EDGEWOOD GRAB HANDLE BAGS - EDGEWOOD ORIGINAL REAR BAG W/ GRAB HANDLE

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

These premium bags and shooting accessories from Edgewood Leather are innovative in design, made of absolutely the best materials available and will hold up under constant competitive use. These Handle Bags were designed for F-Class shooters. The stiff handle makes the bag a lot easier to carry to the firing line, and the larger footprint of the bag base makes the bag more stable for shooting off the ground. These would be excellent bags for varmint hunters who move to new firing points frequently. Note: Sand is required to fill these bags.

# EDGEGOOD GRAB HANDLE BAGS Safety Instruction Guide

## Introduction

Thank you for choosing the EDGEGOOD GRAB HANDLE BAGS. These premium bags are designed for FClass shooters and varmint hunters, providing stability and ease of transport. This safety instruction guide is designed to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always check the bag for any signs of damage before use.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to the product to the appropriate authorities.
- Regularly check for product recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Filling the Bags:** Sand is required to fill these bags. Ensure that the sand is clean and dry before filling to avoid any contamination or damage to the bag.
- **Carrying the Bags:** Use the stiff grab handle to carry the bag. Avoid lifting the bag by its body to prevent injury or damage.
- **Stability:** When using the bag for shooting, ensure that it is placed on a stable surface to prevent tipping or sliding.
- **Shooting Position:** Always ensure that you are in a safe shooting position and that the area is clear of bystanders before using the bags for shooting.
- **Inspection:** Regularly inspect the bag for wear and tear. If you notice any damage, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Filling the Bag:

- Open the bag and fill it with clean, dry sand.
- Ensure that the bag is filled evenly to maintain stability.
- Close the bag securely after filling.

### 2. Using the Bag:

- Carry the bag using the stiff grab handle, ensuring a secure grip.
- Place the bag on a flat, stable surface when preparing to shoot.
- Position your firearm on the bag, ensuring it is stable and secure before taking aim.

### 3. PostUse Care:

- After use, remove any sand from the bag if necessary.
- Store the bag in a dry place to prevent moisture damage.
- Regularly clean the exterior of the bag to maintain its appearance and functionality.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the bag is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the bag in regular household waste if it contains sand or other materials that could harm the environment.

## Contact Information for Further Support

For any inquiries regarding the safety of this product or to report an incident, please contact the manufacturer or the designated EU contact point. Ensure that you have the product model and any relevant details ready for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your EDGEWOOD GRAB HANDLE BAGS. Thank you for your attention to these important guidelines.
