

SINCLAIR LIGHTWEIGHT REST COMPLETE W/ BASIC TOP - LIGHTWEIGHT COMPLETE SHOOTING REST WITH BASIC TOP

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

We designed our Lightweight Rest for shooters who needed a lighter, more economical option to a standard weight cast iron rest tripod. The Lightweight tripod is machined aluminum, and the leg screws and T-handle are lightened to produce a weight savings of over 11 pounds from our standard rests. These Lightweight rest are ideal for F-Class shooters, field shooters, sight in sessions and plinking. Our Lightweight Rests accept all Sinclair rest tops and accessories including F-Class extended leg screws and Speed Screw. This lightweight rest includes our basic top which accepts all Protektor owl ear front bags with simple tie-on attachment. This rest is the choice of shooters and hunters who want a rest they can use for sighting in rifles or take to the field. Front bags (not included) are easily switched for changing rifle styles.

Safety Instruction Guide for SINCLAIR Lightweight Rest

Introduction

Thank you for choosing the SINCLAIR Lightweight Rest. This product is designed for shooters who require a lighter and more economical option compared to standard cast iron rests. To ensure your safety and the best experience while using this product, please read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- Always inspect the Lightweight Rest before use to ensure it is in proper working condition.
- Use the Lightweight Rest only for its intended purpose: supporting firearms during shooting activities.
- Keep the Lightweight Rest out of reach of children and vulnerable individuals when not in use.
- Avoid using the Lightweight Rest in adverse weather conditions that may compromise safety.
- Be aware of your surroundings and ensure that the shooting area is clear of unauthorized individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the Lightweight Rest is set up on a stable, level surface to prevent tipping or instability.
- Always secure your firearm properly in the rest to avoid accidental discharge.
- Do not exceed the weight limit of the Lightweight Rest; refer to the product specifications for details.
- Use the Lightweight Rest in a wellventilated area, especially when shooting indoors.
- Wear appropriate safety gear, including eye and ear protection, while shooting.
- Do not modify the Lightweight Rest or use it with accessories not specified by the manufacturer.

Instructions for Installation and Usage

1. Setting Up the Rest:

- Choose a flat and stable surface for setup.
- Unfold the legs of the Lightweight Rest and ensure they are locked in place.
- Adjust the height of the rest as needed by using the leg screws.

2. Attaching the Basic Top:

- Align the basic top with the rest base.
- Secure the top using the provided screws, ensuring a tight fit.

3. Using the Rest:

- Place your firearm securely on the rest.
- Adjust the position of the firearm as needed for optimal aiming.
- Ensure that the firearm is pointed in a safe direction at all times.

4. Switching Front Bags:

- To change front bags, simply detach the existing bag from the basic top.
- Attach the new Protektor owl ear front bag using the tieon attachment.

Disposal Instructions

- Dispose of the Lightweight Rest in accordance with local regulations.
- Consider recycling the aluminum components where facilities are available.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's website or contact the designated EUbased support center for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your SINCLAIR Lightweight Rest. Thank you for your attention to safety!
