

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 22-250 REMINGTON BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Bushing Full Die Sets

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die set.

## General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Ensure you are familiar with the safe handling of firearms and ammunition.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Use the die set only for its intended purpose, which is to resize and seat bullets for the 22250 Remington cartridge.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Store the die set in a dry, secure location to prevent rust and damage.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the die set can lead to personal injury or damage to equipment.
- Ensure that all components are compatible and in good condition before use.

- **Avoiding Hazards:**

- Always wear safety glasses when operating the die set to protect your eyes from debris.
- Keep hands and other body parts clear of moving parts during operation.
- Do not exceed recommended load specifications. Refer to reliable reloading manuals for safe load data.
- Never use damaged or defective components. Replace any worn parts immediately.
- Ensure your workspace is welllit and organized to prevent accidents.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under 18 years of age without adult supervision.
- Ensure that inexperienced users are trained in safe reloading practices before using the die set.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure your reloading press is securely mounted and stable.
2. Select the appropriate bushing for your desired neck tension and install it into the Type S Bushing Full Sizing Die.
3. Insert the sizing die into the press and tighten securely.
4. Set up the Competition Bullet Seating Die in the same manner.

- **Usage:**

1. Adjust the sizing die to the desired depth for fulllength resizing.

2. Insert the cartridge case into the press and operate the handle to resize the case.
3. For bullet seating, place a bullet on the case and insert it into the Competition Bullet Seating Die.
4. Use the micrometer to adjust the seating depth as needed, ensuring accuracy.
5. After use, clean the dies and store them properly.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the die set in regular trash. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Type S Match Bushing Full Die Set, please refer to the manufacturer's contact information provided in the product packaging or on their official website.

## **Conclusion**

Following these safety instructions will help ensure a safe and efficient reloading experience with your Redding Type S Match Bushing Full Die Set. Always prioritize safety and consult experienced reloaders or professionals if you are uncertain about any aspect of using this product.
