

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 7MM-08 REMINGTON BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck.

Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Bushing Full Length Die Set, 7mm08 Remington

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Length Die Set for your reloading needs. This guide provides essential safety instructions and precautions to ensure safe and effective use of this product. Please read this guide thoroughly before using the die set.

## General Safety Guidelines

- Always handle the die set with care and follow the manufacturer's instructions.
- Ensure that the die set is used in a wellventilated area to avoid inhalation of dust or fumes.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the die set.
- Ensure that the reloading press is stable and securely mounted before using the die set.
- Do not exceed the recommended load specifications for the 7mm08 Remington cartridge.
- Avoid distractions while using the die set to maintain focus and prevent accidents.
- Store the die set in a dry and secure location when not in use to prevent damage or loss.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the die set and ensure all components are present and undamaged.
- Attach the sizing die to the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired depth as specified in the instruction manual.

### 2. Usage

- Prepare the brass cases by cleaning and inspecting them for defects.
- Insert the brass case into the shell holder of the reloading press.
- Raise the ram of the press to engage the sizing die with the brass case.
- Follow the specific instructions for adjusting the bushing to achieve the desired neck tension.
- After sizing, remove the brass case and check for proper sizing and fit.

### 3. PostUse Care

- Clean the die set after each use to prevent corrosion and ensure longevity.
- Store the die set in its original packaging or a dedicated storage case.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die set is damaged beyond repair, check with local recycling facilities for proper disposal methods.
- Do not dispose of the die set in regular household waste if it contains hazardous materials.

## Contact Information for Further Support

For any inquiries or support regarding the Redding Type S Match Bushing Full Length Die Set, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
