

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 243 WINCHESTER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Redding Type S Match Full Length Die Set, 243 Win, 7-08, 308

# Safety Instruction Guide for Redding Type S Match Full Length Die Set

## Introduction

Thank you for choosing the Redding Type S Match Full Length Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read and understand all instructions before using the die set.

## General Safety Guidelines

- Ensure that you have a clear workspace free from distractions when using the die set.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Regularly inspect your equipment for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding reloading and ammunition.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the die set may lead to personal injury or damage to equipment.
  - Always check the compatibility of the die set with your specific cartridge (243 Winchester, 708, 308).
- **Avoiding Hazards:**
  - Do not exceed recommended load limits for your specific cartridge.
  - Avoid using damaged or worn components; replace them immediately.
  - Ensure that all tools and equipment are clean and free of debris before use.
- **Age Specific Warnings:**
  - This product is intended for use by adults only. Keep it away from children and inexperienced users.

## Instructions for Installation and Usage

### 1. Installation:

- Read the manufacturer's instructions thoroughly before installation.
- Securely mount the die set in a suitable reloading press according to the press's manual.
- Ensure that the die is tightened properly to avoid movement during use.

### 2. Usage:

- Follow the specific reloading data for the 243 Winchester cartridge, ensuring you adhere to recommended specifications.
- Use the appropriate tools for resizing, expanding, and seating bullets, as outlined in the die set instructions.
- Always doublecheck measurements and settings before proceeding with reloading.
- Use a reliable scale to measure powder charges accurately.

- Inspect each cartridge after reloading to ensure proper assembly and safety.

## **Disposal Instructions**

- Dispose of any used or damaged components in accordance with local regulations.
- Do not discard any reloading materials in regular trash. Check with local waste management for proper disposal methods.
- Recycle metal components when possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns about the Redding Type S Match Full Length Die Set, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your Redding Type S Match Full Length Die Set. Thank you for your commitment to safety and responsible reloading practices.
