

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 6.5X55MM SWEDE BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck.

Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Redding Type S Match Full Length Die Set, 6.5 x 55 Swedish

# Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS REDDING 6.5X55MM SWEDE BUSHING FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Redding Type S Match Full Length Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to minimize risks and enhance your reloading experience.

## General Safety Guidelines

- Always handle reloading equipment with care and follow standard safety practices.
- Ensure that your workspace is clean, organized, and free from distractions.
- Store all reloading components, including this die set, out of reach of children and unauthorized users.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using reloading equipment.
- Be aware of the specific hazards associated with reloading, including the handling of primers, powders, and projectiles.

## Specific Safety Precautions for Use

- Ensure that you are using the correct die set for your specific cartridge (6.5 x 55 mm Swedish Mauser).
- Do not exceed recommended load limits as indicated in reliable reloading manuals.
- Inspect all components for damage or wear before use. Do not use damaged components.
- Use only manufacturer recommended lubricants and cleaning agents for maintenance.
- Keep your hands and face away from the die set while operating to avoid injury.
- If you experience any issues during the reloading process, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your reloading press is securely mounted to a stable surface.
- Select the appropriate die from the set for your reloading task.
- Thread the die into the press according to the manufacturer's instructions.
- Tighten the die securely, ensuring it is properly aligned with the shell holder.

### 2. Usage:

- Prepare your brass cases by cleaning and inspecting them for defects.
- Follow the reloading manual for the specific cartridge to set the correct die adjustments.
- Always use a reliable scale to measure powder charges accurately.
- Insert the case into the shell holder and raise the ram to engage the die.
- Follow the steps for resizing, seating, or crimping as per the die set instructions.
- After reloading, inspect each cartridge for proper assembly and function.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw away hazardous materials, such as primers and powders, in regular trash.
- Contact local waste management authorities for guidance on safe disposal methods for hazardous

materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Type S Match Full Length Die Set, please refer to the manufacturer's website or customer service for additional support.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the Redding Type S Match Full Length Die Set. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these important guidelines.
