

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 7MM REMINGTON MAGNUM BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Bushing Full Die Sets 7mm Remington Magnum

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Length Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and understand this document thoroughly before using the die set.

## General Safety Guidelines

- Always handle the die set with care to prevent injury or damage.
- Ensure the workspace is clean, welllit, and free from distractions.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Use the die set only for its intended purpose as described in this manual.
- Regularly inspect the die set for wear or damage before each use.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when operating the die set.
- Follow all manufacturer instructions precisely to avoid accidents.
- Be aware of the specific cartridge type (7mm Remington Magnum) and ensure compatibility with your reloading equipment.
- Do not attempt to modify the die set or use it for any other caliber than specified.
- Always check for obstructions in the die before use to prevent malfunctions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Remove any existing dies from the press before installing the new die set.
- Carefully follow the instructions in the die set manual to install the sizing die, seating die, and bushing die correctly.
- Ensure that all components are tightened securely to prevent movement during operation.

### 2. Usage:

- Prepare your workspace and gather all necessary reloading components, including brass cases, primers, powder, and bullets.
- Set the appropriate adjustments for the die according to the specifications for the 7mm Remington Magnum.
- Follow the reloading process stepbystep, ensuring that you adhere to recommended powder charges and bullet seating depths.
- After reloading, inspect each cartridge for defects before use.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Instead, consult local recycling or hazardous waste disposal guidelines.

- Ensure that all packaging materials are disposed of responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Type S Match Bushing Full Die Set, please consult the Redding website or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Redding Type S Match Bushing Full Length Die Set. Always prioritize safety and remain informed about best practices in reloading.
