

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 30-06 SPRINGFIELD BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for Redding Type S Match Bushing Full Length Die Set, 3006 Springfield

Introduction

Thank you for choosing the Redding Type S Match Bushing Full Length Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before use.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that you are familiar with the safe handling of firearms and ammunition.
- Keep the die set and all reloading components out of reach of children and unauthorized persons.
- Inspect all equipment for damage or wear before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Store the die set in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the reloading area is wellventilated to avoid inhalation of dust or fumes.
- Do not exceed recommended load specifications when reloading ammunition.
- Avoid distractions while reloading and focus on the task at hand.
- Use only compatible components (cases, bullets, powder) for the 3006 Springfield cartridge.
- Keep your workspace organized to prevent accidents and mistakes.
- Never point the reloading equipment at yourself or others.
- In case of an accident or injury, seek medical attention immediately.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Ensure that the reloading press is securely mounted on a stable surface.
- Follow the manufacturer's instructions to install the bushing full length die set into the reloading press.
- Tighten the die securely to prevent movement during use.

2. Using the Die Set:

- Start with clean, deprimed brass cases.
- Adjust the die according to the desired seating depth and crimp specifications.
- Use the appropriate bushing for the bullet diameter you are using.
- After loading, inspect each cartridge for proper seating and crimping.

3. Cleaning and Maintenance:

- Clean the die set after each use to prevent corrosion and buildup.
- Store the die set in its original packaging or a protective case.

Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash.
- Contact local waste management authorities for proper disposal methods of hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Redding Type S Match Bushing Full Length Die Set, please refer to the manufacturer's website or contact their customer support directly.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Redding Type S Match Bushing Full Length Die Set. Always prioritize safety and compliance with local regulations while handling ammunition and reloading equipment.
