

# TYPE S MATCH BUSHING FULL DIE SETS - 270 WINCHESTER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck.

Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# TYPE S MATCH BUSHING FULL DIE SETS Safety Instruction Guide

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Ensure the product is used according to the manufacturer's instructions.
- Always wear appropriate safety gear, including safety glasses, when reloading.
- Keep the work area clean and organized to prevent accidents.
- Store the die set in a secure location out of reach of children.
- Report any unsafe conditions or accidents to relevant authorities.
- Regularly check for product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the die set only with the specified cartridge: 270 Winchester.
- Ensure that all components are compatible and in good condition before use.
- Do not exceed recommended load specifications to avoid dangerous malfunctions.
- Be cautious of sharp edges on the die set and handle with care.
- Avoid distractions while reloading to maintain focus and safety.

## Instructions for Installation and Usage

### 1. Installation

- Carefully unpack the die set and inspect for any damage.
- Secure the Type S Bushing Full Sizing Die in your reloading press according to the manufacturer's instructions.
- Insert the appropriate bushing for your desired neck tension.
- Install the Competition Bullet Seating Die in the press, ensuring it is tightened properly.

### 2. Usage

- Follow the manufacturer's guidelines for resizing and seating bullets.
- Adjust the micrometer on the Competition Bullet Seating Die to achieve the desired bullet depth.
- Monitor the resizing process to ensure consistent neck tension and avoid oversizing.
- After use, clean the die set to remove any residue and store it safely.

## Disposal Instructions

- Dispose of the die set in accordance with local regulations regarding metal and plastic waste.
- Do not throw the product in regular trash if it can be recycled.
- For further disposal guidance, consult your local waste management authority.

## Contact Information for Further Support

For any inquiries or support regarding the Redding Type S Match Bushing Full Die Set, please refer to the

manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety. Enjoy your reloading experience with the Redding Type S Match Bushing Full Die Set!
